BRITANNIA
LIFE ASSURANCE COMPANY,
No. 1, Princess Street, Bank, London.

CAPITAL—ONE MILLION STERLING.

Empowered by Special Act of Parliament, 4 Vict., Chap. 9.

REDUCED RATES OF PREMIUM—HALF CREDIT RATES OF PREMIUM.

THE great and decided success which has attended this Institution, has induced the Directors to REDUCE the RATES originally required in British North America, to the ordinary European Rates. The result of such Reduction is to enable parties to avail themselves of the important benefits to Life Assurance at much lower Rates of Premium than those of any other Assurance Company transacting business in Canada.

The Directors have also resolved to extend to British North America the advantages afforded by the HALF CREDIT RATES of PREMIUM which have been so highly approved, and are so generally adopted by Policy Holders in the United Kingdom. The most liberal conditions are likewise offered to the Assured in the limits to which they may proceed by sea or land, to other parts of North America without affecting their Interest in their respective Policies.

THIS COMPANY, which has been established 20 years, commenced with a subscribed Capital of $3,000,000, and was the first, 20 years ago, to offer to the Public two Scales of Premium—the lower, to insure only a fixed amount; the higher, entitling the Insurers to a participation in the profits.

Advantages offered to Insurers.
Very low Rates of Premiums on Young Lives.
The security of a large realised and invested Capital.
Large Bonuses on Policies effected on the high Scale.
Prompt settlement of Losses.
The full value given for Policies when discontinued.

On Insurances for the Whole of Life: one-half of the Premiums, if desired, permitted to remain unpaid for the first seven years, as a Loan at interest, and then to be paid, or to remain as a permanent Loan, at the option of the Insurer.

Loans upon Policies for the Whole of Life, after payment of three Premiums, in proportion to the value of same.

The acceptance of Naval, Military, Climate, and Special Risks of all kinds, on payment of a commensurate Premium. Ages admitted on the Policy when issued, if desired, on proof of date of birth.

Permission for the Lives assured to reside in any part of Europe, without extra premium or special license, and to, at and from California, at a small extra premium.

Insurances, if required immediately, may be effected any day between the hours of 10 and 4.

The Pamphlets published by this Company fully set forth the merits of Life Insurance; and copies thereof may be had, gratis, on application to the Agent, who is also prepared to furnish every information that intending Insurers may require.

CANTON HOUSE.

FAMILY TEA, COFFEE AND SUGAR WAREHOUSE,
No. 109, Notre Dame Street.

SAMUEL COCHRAN invites the attention of Customers to his stock of TEAS and COFFEES, which have been selected with the greatest care, and on such terms as allow him to offer them at unusually low prices.

The MACHINERY on the Premises, worked by a Four Horse Power Steam Engine, for Roasting and Grinding Coffee, is on the most approved plan, the Coffee being closely confined in polished metal spheres, which, when constantly revolving and oscillating in heated air chambers, is prevented imbibing taint from Smoke, danger of partial carbonisation of the Bean and loss of Aroma, so important to Connoisseurs, which is further ensured by attention to Grinding at the shortest time prior to Sale. To this elaborate process SAMUEL COCHRAN owes the high reputation his Coffee has obtained through a large portion of the Province.

CRYSTALIZED SUGAR (each admired for Coffee); REFINED SUGAR in small loaves, and SWEET INDIA SUGARS, of the best qualities, always on hand.

A few of the choicest selections of TEAS may be had at the CANTON HOUSE, in Native Catty Packages, unrivalled in flavor and perfume, at moderate terms.

Families residing distant from Montreal will have their orders scrupulously attended to, and forwarded with immediate despatch.

Caledonia Springs, 2nd June, 1851.

(Extract of a letter from R. A. Lemoine, Esq., of Montreal.)
"I beg to state that in July, 1850, I went to the Springs for the purpose of trying the effect of the Water in cases of Dyspepsia, under which I had been suffering for several years. After using the Water at the Springs for about three weeks, I returned from the Springs perfectly restored to health, and was able to partake of any food without inconvenience. I have since used the Water occasionally, and always with the same beneficial effects. I have frequently recommended many of my friends to go to the Springs, and they have all returned perfectly restored to health. I have no hesitation in saying that I consider the Caledonia Springs Water the most valuable remedy for Dyspepsia that I am acquainted with, and I have no doubt that many others will find it equally beneficial."

Montreal, 4th June, 1851.

Dear Sir,—In accordance with your request, I have much pleasure in giving you my opinion of the Caledonia Springs, as I consider that the Water of these Springs is entitled to a very extensive reputation, and I have no hesitation in saying that I have derived more benefit from the use of the Caledonia Water than from any other remedy I have ever used for the cure of Dyspepsia, which I have had for many years. I have also found the Water very beneficial in cases of Debility, and I have no doubt that many other cases of chronic disease would be greatly relieved by the use of the Water. I intend visiting the Springs myself in the course of the present month, and shall be happy to meet any of my friends there.

Yours truly,
To the proprietor of the Caledonia Springs.

Montreal, 13th December, 1848.

Dear Sir,—I have to state that I consider the use of the Caledonia Waters a very valuable curative agent in the treatment of many forms of disease. Circumstances enable me to grant you a favorable Certificate with more than usual propriety, many of my own Patients tested the virtues of the Water before I left Montreal, and I have been directly informed by Medical gentlemen of this city. In short, no attempt is left untried by many persons who wish to realize the benefits of the Caledonia Springs Water. To guard against imposition, therefore, the Proprietors deem it necessary to have themselves erect from the Springs, Place D'Armes, the Water put up in bottles, and sealed for the dozen; bottles returned, and a full supply given. The demand for this Water, by the glass, amongst the citizens every morning.

THE SUBSCRIBER'S CERTIFICATE.

The following from Dr. Munro, Chief Physician of the Hotel Dieu, adds one other to the overwhelming testimonials borne to the virtues of the Plantagenet Water by all our leading Physicians:—

To Mr. Lamontagne, Proprietor of Plantagenet Water, Plain.

Dear Sir,—I have hitherto refrained from giving you my opinion of the Plantagenet Water; but the time has now arrived when it is just, both to the public and yourself, that I should do so. Certainly, then, I have much pleasure in stating that I have had a fair opportunity of testing the merits of the Plantagenet Water, which I have found to be a most valuable remedy in many cases of disease, and in fact, for general use, superior to any other spring water with which I am acquainted. I have also had a fair opportunity of testing the merits of your Aperient Water, which I have found to be a most valuable remedy in many cases of disease, and with the most remarkable success. As a gentle aperient, it is unrivalled; and in some cases of Dyspepsia, Jaundice, and Liver Complaint, it has proved invaluable. I consider it a most valuable addition to the Materia Medica, and one that will be found in every family, both in the country and in the city. I wish you every success in the sale of the water by them, and I am sure the public will find it to their interest to use it.

I have the honor to be, &c.,
Chief Physician in the Hotel Dieu Hospital, and Lecturer on Surgery in the School of Medicine of Montreal.
Delivery Street, 6th August, 1850.

In conclusion, let it be borne in mind, that it is not merely as a saline water that the Plantagenet is recommended to the public
