## SASKATCHEWAN

**MOOSE JAW, Jan. 22.**—On the recommendation of W. E. Knowles, M.P., the post office department will create an inspectorate for Saskatchewan, with headquarters at Moose Jaw. In future the inspection office will have charge of Manitoba, and of Calgary of Alberta. This is a very popular move in Saskatchewan and is especially beneficial to the new rural districts, assuring prompt action in regard to new offices and the arranging of mails, which have been unfortunately delayed of late. It is also hoped that the work in general will be improved, and the service generally improved. The new inspectorate will be organized at once with offices on the second floor of the post office building.

**INDIAN HEAD, Jan. 24.**—Indian Head defeated Qu'Appelle here Wednesday evening by the score of 6-3. The play was fast from the start, and the spectators were treated to a splendid exhibition of the premier winter sport.

During the first half the Qu'Appelle boys seemed under a grip on the game, Indian Head leading at half time by 4 to 1. In the second half, however, Qu'Appelle had a little the better of the play, but were unable to overtake the lead gained by their opponents. The earlier part of the game, which ended as above stated.

The Indian Head team was considerably the heavier of the two, and used their weight to advantage whenever the opportunity offered. The game was one of the cleanest ever witnessed on the home ice, very few penalties being handed out. W. Van Valkenburg acted as referee, and W. R. Van Valkenburg as judge of play.

## ALBERTA

**LETHBRIDGE, Alta., Jan. 23.**—Yesterday's blizzard gave way at noon today to a raging blizzard, and the ranges are covered with ice and snow and it is feared that a large part of the cattle will perish. The horses among the horses will be light. This is the most severe winter in Southern Alberta since 1887.

## BRITISH COLUMBIA

**VANCOUVER, Jan. 23.**—Smith Curtis challenged Mr. McBride to meet him in Keenmore last night, when the former Manitoba heavily assailed the Premier and made serious charges of maladministration. The most important result of the meeting, however, was Smith Curtis' compelling McBride to promise that if the Conservative Government was re-elected, it would not grant the C.P.R. 9,000 acres of land which that company wants to complete its road to Midway. Curtis feels now that whatever may be the result, he has saved his country from being robbed of land worth at least half a million dollars.

The Liberal leader, McDonald, spoke at Rossland last night after his winning tour of Vancouver Island and the lower mainland. He received a splendid welcome in his home town.

**VANCOUVER, Jan. 24.**—Hold-up men who have been run out of Puget Sound cities are getting busy here. Following the brazen hold-up of the Barnard Hotel bar, comes the breaking open of the till of Walter Jordan's store and the stealing of \$150 worth of goods from the Perth Dry Goods last night.

## MANITOBA

**CARTWRIGHT, Man., Jan. 23.**—The fuel situation in this town is becoming very serious. No trains have reached the place in the past three days, and unless fuel arrives in a few days it will be necessary to close the schools and churches and distribute the fuel among the citizens.

**PORTAGE LA PRAIRIE, Jan. 23.**—T. H. Johnston, of Cypress River, was yesterday sentenced to one month in the penitentiary for a charge of illegal shooting. Last week the prisoner became involved in an altercation, during the course of which he fired a gun at his opponent.

**WINNIPEG, Jan. 23.**—Several of the changes in the organization of the Western lines of the C.P.R., which were predicted several weeks ago, have been announced from Montreal, and it is expected that the balance of them will be bulletined within the next few days. The changes announced to date are that G. J. Bury will be appointed general manager of the Western lines, and that A. B. Bury will succeed him as general superintendent of the central division.

The changes predicted are that R. Macleod will be given an executive position and that he will be succeeded as general superintendent of the Pacific division by T. F. Basted, assistant chief engineer.

**WINNIPEG, Jan. 23.**—It is announced that the Board of Control have passed the Power Committee's recommendation that tenders be called for the construction of a 24-mile tramway from La Crosse to Point du Bois. Cecil B. Smith, the city's engineer, was before the board for some time yesterday morning giving information on the tramway proposition. It was finally decided to call for tenders on February 25. The tramway construction will cost about \$25,000.

A letter or report on the social evil problem from Magistrate Deane has been forwarded to each member of the Winnipeg Police Commission. It is stated that while the report does not openly declare for segregation, its contents are such as may lead to the adoption of a segregation policy by the police commissioners.

**WINNIPEG, Jan. 23.**—Several freight cars were smashed and a number of horses killed in a wreck which took place last night in the C. N. R. yards. A passenger engine jumped a switch and ran down the siding leading to the stock yards, where a string of cars were standing.

In the smash which followed four cars were piled up in a tangled heap and three others were thrown from the rails and across the lower end of Water street. In one of the wrecked cars were a number of horses and a second was loaded with baled hay. How many of the animals were killed is not known, and the ones which were only injured were removed in the ambulance to the horse hospital.

The officials of the railway company are unable to state whether the engine had been properly closed, or whether the accident was due to the snow. The accident occurred at the exact spot where the four men were killed in a similar smash about a month ago.

**WINNIPEG, Jan. 23.**—The announcement that the C. P. R. have applied to the Dominion House for legislation to ratify their agreement as to joint terminals in Winnipeg has put the city on its guard. The members of the city council that the city should be consulted before any agreement is ratified by the Federal House, in view of the fact that the city council has an agreement with the C.N.R. regarding the closing of Broadway East and the construction of a C.N.R. depot.

**WINNIPEG, Jan. 23.**—The fuel situation is unchanged today except that Winnipeg is continually moving nearer to the famine line. The fuel situation is unchanged today except that Winnipeg is continually moving nearer to the famine line. The fuel situation is unchanged today except that Winnipeg is continually moving nearer to the famine line.

Each succeeding day now dwains on a worse situation than the preceding one, and this morning several of the dealers refused to take orders at all. The dealers state that even if they had the required coal here, it would take a week's steady delivering to let all those needing fuel have a little.

Dealers now say that the railways should cancel all passenger trains and run freight trains on their time until the situation is relieved.

**WINNIPEG, Jan. 24.**—Efforts are being made to induce the local Government to establish a court for juvenile offenders, and enact a compulsory education law. The Government is disposed to fight shy of the latter proposal.

**PORTAGE LA PRAIRIE, Jan. 24.**—J. Pethick, manager of a local hardware store, fell from a lever shaft today, a distance of ten feet, breaking his collar bone and receiving other injuries.

**NAPKINA, Man., Jan. 24.**—The trains in this section of the country are completely tied up, the drifts in some places being ten feet deep. The trains have been held up for several days, the mails being brought in from Melita by team. Several of the towns are running short of fuel.

**SNOWFLAKE, Man., Jan. 23.**—No trains have arrived here for five days and the outlook is bad. A request that mails be sent forward by pack train by team has been turned down by the post office inspector and citizens are growing indignant.

**NIAGARA FALLS, Ont., Jan. 23.**—The loss to the Gorge Route as a result of the windstorm of Saturday night and yesterday will reach \$10,000, and will involve the closing of the route for at least six weeks. The road bed is almost washed out into the river for about a mile between the G.T.R. bridge and the wharf.

The loss to the Maid of the Mist docks and buildings on both sides of the river will reach \$5,000 and the Hydraulic Power Company and the electric railway will reach \$5,000. The loss to the power companies will be small, the heavy stone walls of the works and the forebays having withstood the strain of the rushing torrents.

**OTTAWA, Jan. 23.**—The House yesterday went into committee on tariff. On the item of sugar and maple syrup the British preference is 25 per cent. general, Mr. Foster and other Opposition speakers remarked that the proposed tariff had been increased 2 1/2 per cent. Why this increased tax on foods?

The plea of Messrs. Fielding & Patterson was that the increase of the British preference would increase the importation of these articles from British countries.

There was a long discussion on the duties on market garden stuff and fruits, the Opposition making the contention that the duties should be increased. Incidentally, Mr. Henderson (Halton) and Dr. Reid (Grenville) declared against the British preference.

**TORONTO, Jan. 23.**—The grand jury brought in true bills today in the criminal charges against Charles McGill, late general manager of the Ontario Bank. The first indictment is for making false statements, signed by him for the past ten days for counting by officials funds. **OTTAWA, Jan. 24.**—The news from Montreal tonight that warrants for the arrest of Baldy Spital, Alf and Harry Smith, three Ottawa hockey players, in connection with the recent Wanderers match, created consternation among those who heard it, although it was not known until a late hour. None of the players could be seen, but President Geo. P. Murphy when shown the despatch refused to say anything tonight.

Baskerville, another member of the Ottawa hockey team, expressed surprise at the news of the arrest, especially after the lapse of almost two weeks, was quite as much as President Murphy.

Billy Baird, of the Pittsburgh team, arrived tonight and practised with Ottawa. He will play tonight in place of Spital against the Victorias in Montreal on Saturday night if the team goes, which is considered doubtful in view of the probability of the two Smiths being arrested when they arrive there.

## QUEBEC

**MONTREAL, Jan. 24.**—C. E. Gault (Conservative) was elected today in the bye-election for St. Antoine division to fill the vacancy in the Legislature caused by the death of Ald. C. B. Carter. His majority over Percy Ryan (Liberal) was over 800. Ryan was not given the ministerial support because the Government did not favor his proposal to place, though he was chosen in convention.

**SAN FRANCISCO, Jan. 23.**—The North German Insurance Company of Hamburg, which has been ordered by a German court to pay the claims against it, had made of \$4,500,000 in the big fire of last April. The company denied all liability on the ground of an earthquake clause in its policies, and paid no claims.

It is understood that the suit in the German court was to test the validity of this clause. It is understood that the decision hinged upon the position of a comma or semicolon.

According to the insurance men here, separate proofs of loss will now have to be made and individual suits instituted.

**BENSON, Minn., Jan. 23.**—A large consignment of oriental silks, almost priceless in value, were thrown into the ditch by a derailment at Clontarf, this county, and all night were the playthings of the wind and snow, despite the best efforts of trainmen and citizens to save them from loss.

When the second section of passenger train No. 4 on the Great Northern road, made up entirely of baggage cars loaded to their roofs with silken fabrics from the realm of Mikado, was passing east through the village of Clontarf, an open switch was encountered, and the locomotive and eight cars were thrown from the roadbed and turned into a twisted and splintered mass of wreckage.

No one was injured, the engine crew jumping into the deep snow and escaping with trivial shocks. The financial loss to the railroad company will be enormous, for a large part of the consignment was unsold, and some drifted over the snow.

**MINNEAPOLIS, Minn., Jan. 23.**—The State of Minnesota which has won a sweeping victory against the Great Northern, in which the former attempted to force the railroad to recognize the state railroad and warehouse commission before it issued any additional capital stock.

The company has now been enjoined from issuing a proposed fifty millions in new stock, the order having been signed and filed this morning in Ramsey County, by Judge Oscar Hallan. No part of it can now be put on the market while the litigation is pending, or before the proper application has been made.

**WASHINGTON, Jan. 24.**—An appropriation of about \$35,000,000 is provided for in the naval bill agreed upon today by the House Committee on Naval Affairs.
