The death is announced of Miss Marion Margaret Grenfell, youngest daughter of the Rev. John Grenfell, formerly of Carleton Place, but now of Port Simpson, B.C., which occurred suddenly on Sept. 2nd.

A western Ontario farmer lost all his outbuildings the other day by a fire caused by friction in the shaft of a windmill on the top of one of the barns. The application of a little oil would have prevented this loss.

The A. H. S. Commencement will not be held until the completion of the town hall. This event usually takes place in October, but the impossibility of accommodating the large number who wish to attend has always seriously militated against its success.

That a thorough business education pays is evidenced by the fact that the attendance at the Ottawa Business College, Ottawa, Ont. is four more than double that of last year for the same period. Oct. 3rd is a good time to enter. We have the school, we have the teachers and we produce the results.

The winter early closing by-law in Athens comes into force on Monday next, 26th. Its provisions are summarized in the report of the village council meeting. The passing of such a law necessarily follows the presentation of a properly signed petition—the council has no option in the matter.

Delta Fair next Tuesday and Wednesday. Already the indications point to a great exhibit of all that is biggest and best in live stock, agricultural arts and manufactures. As a purely agricultural show, Delta is the peer of any county fair in the province, and as a good programme of sports and amusements is invariably presented there is always a large attendance of visitors. Special rates on the B. W. & N. W.

The attendance at the A. H. S. has now reached 150.

While in Toronto, three weeks ago, Miss Mary Wright was taken ill and since coming home has been confined to her bed, typhoid fever having developed. The crisis of her illness has passed and, we are pleased to learn, she is now in a fair way for recovery.

Charles Reade, the great English author, in his novel, "The Coming Man," has said: "The shorthand writer who can typewrite his own notes is safer from poverty than the Greek or Latin scholar." This should be a comforting thought to business college students.

An exchange says "Luck is of your own making. Luck means rising at six in the morning, living on one dollar a day if you make two, minding your own business, and not meddling with other people's. Luck means hardships and privations which you have not hesitated to endure; the long nights you have devoted to work. Luck means the appointments you have never failed to catch. Luck means trusting in God and your own resources—a religion whose motto is "Help yourself and heaven will help you." Luck comes to them who help themselves and know how to wait.

BASEBALL REVIVAL
At 4.30 on Monday evening the literary sports of the town lined up against the senior town team, on the Athens baseball park. The game was real baseball from start to finish, and at the end of the seventh innings darkness intervened leaving the score 9 to 8 in favor of the town team. The players lined up as follows:—

LITERARY TEAM	TOWN TEAM
Hamilton	C
E. Harvey	P
McIntosh	1st B
Dowley	2nd B
Weeks	3rd B
O. Harvey	S. S.
Shaw	C. F.
Lyons	R. F.
Murphy	L. F.
	Barber
	DeWolfe
	Slack
	Parish
	Hagerman
	S. S.
	Gainford
	Ripley
	Jones

The sharp fielding on both sides was very attractive, while the superior battery of the town easily held the score down. The same teams hope to again play on Thursday evening.

The skeleton of a pre-historic animal believed to be a mastodon, was unearthed by men employed on a drainage contract in the rear of Cornwall township. The skeleton was larger than any other animal known in the present age. The jaw was about two feet long and the teeth from three to five inches in diameter. The bones were found several feet below the surface of the earth.

Itching Skin
Distress by day and night—That's the complaint of those who are so unfortunate as to be afflicted with Eczema or Salt Rheum—and outward applications do not cure. They can't. The source of the trouble is in the blood—make that pure and this scaling, burning, itching skin disease will disappear.

"I was taken with an itching on my arms which proved very disagreeable. I concluded it was salt rheum and bought a bottle of Hood's Sarsaparilla. In two days after I began taking it I felt better and it was not long before I was cured. Have I had any skin disease since." Mrs. Ida E. WARD, Cove Point, Md.

Hood's Sarsaparilla
rids the blood of all impurities and cures all eruptions.

ACCURACY
Absolute accuracy in dispensing your Physician's Prescription is of the first importance.

We appreciate this fully and consequently a duly qualified and experienced Chemist is always in charge of our dispensing department. No prescription leaves our store without being thoroughly checked by him. Likewise the drugs prescribed are always of the best, in fact of standard quality and purity. Greater care, better drugs, more skilled knowledge could not possibly be employed.

This, no doubt, accounts for the large increase in our Prescription Department, and the confidence which the public place in us.
