VIGOROUS COMPLAINT
 "I see by The Planet," said a citizen this morning, "that the Health Inspector thinks that the Central school too many for the Central school doesn't think that 800 hogs are too many for the G. T. R. cattle yard. I would like to know also why there were no hogs in the yards when the G. T. R. superintendent was here. I would further ask why the officials of the Board of Health advise people to move out of the neighborhood when they complain about the hog pens. The stench is frightful and the City Council should do something."

LAURIER SAILS

He Tells New Yorkers What He Hopes to do While in England.

New York, June 14.—Sir Wilfrid Laurier, Premier of Canada, and Lady Laurier, sailed to-day for England on the Eturia, to attend the coronation of King Edward. The coronation is to take place at the end of July or the middle of August.
 "I hope to have an opportunity in England," Sir Wilfrid said, "to discuss the question of greater encouragement of emigration to Canada. Canadian emigration has increased materially within the last three years, but it is far below what it should be, when one considers the comparative greatness of the country and the unequalled advantages which it offers, particularly to the agriculturally inclined. Emigration from the United States, I am glad to note, is increasing every year. Fully 50,000 have come from this country across the border during the last three years, and we will be glad to have all the fifty thousands more she can send."

SAFE ROBBED

Daring Daylight Deed at the Establishment of Quinn & Patterson.

One of the boldest and most daring robberies in the history of Chatham, was perpetrated Saturday afternoon sometime between 12 and six o'clock, when the safe of the firm of Quinn & Patterson was rifled. The safe stands right in front of the window, and there were four clerks in the store all afternoon. The cash drawer was wrenched from its place and its contents removed.
 Fortunately there was only five dollars in money in the drawer, but a number of valuable vouchers and notes were taken. The police have no clue.
