The best way to obtain an answer to the estion—Can I obtain a Patent? Is to write Munn & Co., 37 Park Row, N. Y., who have d over twenty five years' esperience in the stress. No charge is made for opinion and vice. A pen-and-ink sktch, or full written scription of the invention, should be sent. For instructions concerning American and iropean Patents. Caveats, Re-issues, Intersect, Ripicted Cases, Hints on selling Pants, Rules and Proceedings of the Patent lice, the new Patent Laws, Examinations, trustions, Infringments, &c., &c., send for struction-Book, which will be mailed free, application. All business strictly confinital. Address, The best way to obtain an answer to the application. Intial. Address, MUNN & CO.,

ALL CURES MADE EASY

No description of wound, sore or ulcer can re No description of would, soft excellent Qiatient. The worst case readily assumes a heal-hypapearance whenever this medical agent is pplied; sound firsh springs up from the bottom I the would, inflammation of the surrounding kin is arrested and a complete and permanent ure quickly follows the use of the Ointment.

These distressing and weakening diseases may anth certainty be cured by the sufferers themselves, if they will use Holloway's Ointment, and closely attend to the printed instructions. It should be well rubbed upon the neighboring A poultice of bread and water may some-s be applied at bec-time with advantage; times be applied at her-time with automore, the most scrupulous cleanliness must be observed. If those who read this paragraph will bring it under the notice of such of their acquaintances whom it may concern, they will render a service that will never be forgotten, as a cover is certain.

other Skin Diseases.

After fomentation with warm water, the u the blood and derangement of the liver and sto-mach: consequently, in many cases time is re-quired to purify the blood, which will be effect-ed by a judicious use of the Pills. The general health will readily be improved, although the cruption may be driven out more freely than be-fore, and which should be promoted; perseve-rance is necessary. On the appearance of any ot these maladies the Ointmen: should be well rubbed at least three times a day upon the neck and upper part of the chest, so as to penetrate to the glands, as salt is forced into meat: this course will at once remove inflammation and ulceration. The worst cases will yield to this treatment by following the printed directions. the blood and derangement of the liver and ste

Scrofula or King's Evil and Swelling

This class of cases may be cured by Holloway's purifying Pills and Ointment, as their double action of purifying the blood and strengthening the system renders them more affable than any other remedy for all complaints of a scrofulcus nature. As the blood is impure, the liver, stomach and bowels, being much deranged, require purifying medicine to bring about a cure.

Rheumatism, Gout and Neuralgia.

Nothing has the power of reducing inflamma-tion and subduing pain in these complaints in the same degree as Holloway's cooling Oint-ment and purifying Pills. When used sim-ultaneously they drive all inflammation and de-pravities from the system, subdue and remove all enlargement of the joints, and leave the sin-ews and muscles lax and uncontracted. A cure may always be effected, ever

persevered in.

Both the Ointment and Pills should be used in the following cases :-

corporate the Union Bank, was read a was rather harsh in some of its provi- between 1818 and 1864, seizures of Am

Tuspay, March 21.

A Bill to incorporate St. Lawrence Lodge of Odd Fellows, a bill to incorporate the trustess of the Presbyterian Church at Summerside, a bill to incorporate the Charlottetown Young Men's Christian Association, and a bill to incorporate the Charlottetown Young Men's Christian Association, and a bill to incorporate Mount Lebanon Lodge of Fremasons, were severally read a third time and passed.

The 21st annual report of the Medical Superintendent of the Lunatic Asylum, was presented by the Hon. Col. Secretary, and the same was read and ordered to be laid on the table.

The 21st annual report of the Medical Superintendent of the Lunatic Asylum, was presented by the Hon. Col. Secretary, and the same was read and ordered to be laid on the table.

Petitions presented—

By the Hon. Mr. Reid, a petition of certain inhabitants of Lots 1, 2, 3, and 4, praying for the establishment of a new polling division.

By Hou, Mr. McDonald, of certain in-dead and improve ment of the Medical presented without increased means. It would be unfair to require a sent of great practical experience, and in whom the people had confidence, to go before a Board of his juniors for examination.

Hon. Mr. McDonald, a member of the model to be laid on the table.

Hon. Mr. McDonald believed the bill was a stop in the right direction, and he was repealed by the action of the American to the was repealed by the action of the American to the was repealed by the action of the American to the was repealed by the action of the American damp was read and ordered to be laid on the table.

Hon. Mr. Been was in favor of the principle of the bill, but thought it din on the table.

How is the present severally read a hird time and passed.

How is the proper provision for the principle of the bill, but thought it din on the table.

How is the present severally read a hird time and passed.

How is the proper provision for the appointment of a Board of Examiners.

How is the proper to the fine passed by the cation of the American to administer m

By Hon. Mr. McDonald, of certain inhabitants of Baldwin's Road and adjacent of Charlottetown West Royalty school district, praying for an amendment of the Education Act, so that householders may be assessed for school furniture.

Said petitions were read and ordered to be laid on the table.

Hon. Mr. Bell rose to present a petition of certain inhabitants of Lots 1, 2, and 3, against the proposed line of rail-way.

Hon. Mr. Reid objected to the petition being received on the ground that the names had all been appended thereto by two or three individuals. The very fact that it had been addressed to his hone.

Hon. Mr. Balderston observed that the visitor for Queen's County complained that many schools were closed the Visitor for Queen's County complained that many schools were closed the twistor for Queen's County complained that many schools were closed the Wisitor for Queen's County complained that many schools were closed the Wisitor for Queen's County complained that many schools were closed the Wisitor for Queen's County complained that many schools were closed the Wisitor for Queen's County complained that many schools were closed the Wisitor for Queen's County complained that many schools were closed the was in favor of protecting the fisheries, he was will great advantages to the community. Two or three individuals on the Island, who had been very successful in carring cancer, by means of a plaster, the ingreat device which were only known to protecting the fisheries, he was will imposed. But though the was in favor of protecting the fisheries, he was will wor three individuals on the Island, who had been very successful in carring cancer, by means of a plaster, the ingreat read of which were only known to protecting the fisheries, he was will imposed. But though the world prove the individuals on the Island, who had been very successful in carring cancer, by means of a plaster, the ingreat read of which were only known to prove the individuals on the Island, who had been very successful in carring cancer

the purpose for which it was originally intended. It was, therefore, desirable to have it sold, and the proceeds applied to the purchase of property in connection with St. Dunstan's College.

The said Bill was read a second time, referred to Committee, reported agreed to without amendment, read a third time and passed.

A Bill was brought up from the House of Assembly by the Hon. Mr. Pope, to amend the Law relating to Vaccination. Also, by the Hon Attorney General, a Bill to continue and amend the Act for the protection of incorporate the Union Bank, and a Bill relating to Physicians and Surgeons. Said Bills were read a second time to done the first of the protection of the read a second time to an an ordered to be read a second time to the read a second time.

Adjourned.

In the same difficulties beset education in this Island as were found in other countries, one of which was imposed in other countries, one of which was the same difficulties beset education.
