Newcastle Printer Foreman in Boston
Ernest McGrath, of the staff of Batten & Jorgensen, Engraving and Designing Printers, 67 Broad Street, Boston, has lately been promoted to the position of foreman in the shop in which he works. Mr. McGrath was for several years on the staff of The Union Advocate, where he was regarded as a good workman, and his deserved promotion in Boston, which is most pleasing news to his many friends here, does not come as a surprise. We are glad that, like so many others who have gone forth from the Miramichi, he is making a name for himself that reflects credit upon the land of his birth.

Tribute to David S. Gordon
The members of Steadfast Division S. of T., extend their earnest and hearty sympathies to the sorrowing parents and brothers of the lately departed David S. Gordon.

He was a respected member of the S. of T., and we shall miss our Brother sadly from our little gatherings where he was always welcome. He had grown up amongst us and seemed more like a brother than a friend and it was with the deepest sorrow that we learned of the life cut off just on the dawn of manhood. Again we extend our earnest sympathies to the sorrowing relatives. Signed on behalf of Division, J. ANNE SOBEY, W. A. ALMA SOBEY, R. S. Maple Glen, Jan. 28, 1916.
