Dominion Day, Saturday last, was generally observed as a public holiday. Business was about entirely suspended in Charlottetown, and large numbers were away on the different excursions and attending the tea parties and picnics held in various sections. A number availed themselves of the excursion to Pictou; a considerable number went to the tea party at Georgetown, and many more to the tea party at Fort Augustus. The Labor Union Picnic at North Wiltshire was largely attended, and the horse trot and regatta at Summerside drew an immense crowd. Those who remained in the city found agreeable recreation in witnessing the military manoeuvres at camp Brighton, and the base ball game at Victoria Park. All these events were well carried out and without any serious mishap. At Millville, near St. John, N. B., a tragic fatality occurred. E. Notes and Remarks.

SELKIRK AND VICINITY.

Mr. Stephen McDonald, who graduated this year from St. Dunstan's spending a few holidays at Tignish, the guest of his uncle, Rev. Donald McDonald.

A daily mail has been secured for Bear River, a great convenience for all interested. Mr. Lawrence McDonald the Postmaster, is an efficient and obliging official.

Mrs. Stephen Kelly, Bear River, who spent the winter in Boston, returned home Saturday last. She was accompanied by her son Ronnie who is enjoying a vacation at his old home.

Messrs. P. J. McEllan, Reggie McLean, and Joseph Steel, teachers, who had been attending the convention at Souris, are spending a few days at Clear Springs, the guests of Mr. Donald J. McDonald.

Mr. Adolphus McIntyre, student professor at St. Dunstan's College, returned to his home at Selkirk Saturday evening to spend a well earned vacation. Joseph McPhoe and A. J. Macadam, students at the Union Commercial College, returned some days ago.

We are pleased to have to say that our friend, Mr. Hugh A. McDonald, of Monticello, has completely recovered from a very sudden and severe attack of illness. Mr. McDonald is one of the most energetic farmers in this locality, and one such as this country can ill afford to lose.

The parishioners of St. Margaret's parish intend holding a grand tea party during the present month. The St. Margaret's have gained quite an enviable reputation in the past, and this year although the competition seems keen, we will no doubt be in a position to describe it later as one of "the best".

The ratepayers of Goose River district celebrated Dominion Day by a Picnic in aid of the school. The sports were well patronized and the sale of baskets by Mr. Hugh A. McPhoe, the veteran auctioneer, added considerably to the day's receipts. The people of Goose River are to be congratulated on the success of this worthy effort to further improve their school building and its surroundings.

Messrs Grant and Cummekey, who last year bought the Bear River Mills from Mr. Dennis Costello, are doing a prosperous business in timber and mill products, and their personal direction by Mr. Cummekey. Among other work they have the contract of supplying hardwood plank for the new Morell bridge, and several carloads have been shipped. The mill is being operated at its fullest capacity and is quite a factor in the progress of this bustling place.

Mr. Gabriel McLinnis, one of the most progressive dairy farmers of eastern Kings County has added to his herd a pure-bred Ayrshire bull. Mr. McLinnis and his sons are practical farmers, fully alive to the possibility of agriculture in this favorite province, and their home-stead is an inspiring example of what may be achieved by steady and well directed effort. They go in quite extensively for hog raising in connection with dairying. They have lately had installed by Mr. L. P. Doyle, the agent at St. Peter's a U. S. cream separator which greatly facilitates their work and is an important addition to their dairy equipment.

About eighteen months ago we had to record the unpleasant fact that Alex. J. McPhoe, of Selkirk, had lost his dwelling house with all its contents by fire. But with the ready assistance of neighbors the frame and some material for a new building was soon provided and in a part of the newly-erected house Mr. McPhoe and family spent the winter. Last spring they removed to New York where Mr. McPhoe soon obtained, and still holds, a lucrative position. Mr. P. Bradley, contractor, of St. Theresa's, has just completed the new residence. Needless to say, the work is done in first class style and is a credit to the contractor, as well as a beautiful testimonial to the pluck and undiminished energy of Mr. McPhoe. Though well acquainted with the much vaunted possibilities of life in the United States he still has faith in the advantages of P. E. Island for a farmer with "the will to do," and we trust soon to have the pleasure of bidding Mr. McPhoe with his wife, and son, welcome back to their island home. M. A.

Rev. Michael Ryan, son of our esteemed friend Mr. E. Ryan, of Mount Ryan, recently ordained at St. Paul, Minn., preached an eloquent sermon at the high Mass in St. Dunstan's Cathedral on Sunday last. His text was from the 19th verse of the XVI. chapter of the Gospel of St. Matthew: "And I say to thee that whosoever shall build upon this rock I will build my church, and the gates of hell shall not prevail against it." His discourse was on the indefeasibility of the Church in eloquent language he described the triumph of the Church over all enemies and obstacles down through the ages. In the evening he officiated at Vespers and Benediction of the Blessed Sacrament. During last week Father Ryan visited Father McIntyre at St. Joseph's, Morell, and spent some time with Mr. Peter Ryan and other friends in that section of the country. He also visited Father Gilles at St. Peter's and preached in the church there on the Feast of St. Peter and St. Paul, patronal feast of the Church. While there he visited some relatives and friends on the Fortune Road, the home of his mother. Father Ryan's vacation continues till August, when he returns to St. Paul and enters on his duties. He is enjoying his vacation very much.
