DO YOU

Work With Your Hands

With Your Head?

The man who works with his hands is always "the man behind "- the one who never forges ahead-the one who is subject to another man's control-the one who cannot rise above a fixed wage limit. But there is nothing on earth that can stop the man that works with his HEAD, provided he is properly trained and has sufficient brain matter to cope with the problems of his daily work. Step out of the ranks of the incompetents-be a somebody-and if you want success no greater assistance can be offered than a thorough course in the Charlottetown Business College, This college has enabled thousands of young men and women to qualify for prominent and lucrative positions. Over 20 per cent of the population of this city are employed graduates of the C. B. C. Write today for C. B. C. prospectus, folder and full information. IMPERIOR AS TO A STATE OF THE PARTY OF
