ALWAYS MASTER OF THE ROAD.

Look for the Dunlop Traction Tread trail on asphalt and on mud. It's the "V" line to comfort, no chains, no skidding.

A WEATHERABLE TIRE.

It is just weather like we get here in Newfoundland that gives Dunlop Traction Tread Tires a chance to show their class—and motorists who have them know it.

Created because of the insufficiency of the so-called non-slip or "batonned" tread.

Marketed only after the most exhaustive tests ever given to an anti-skid tire.

Proven itself the only real anti-skid tire obtainable—bar none. That's

DUNLOP TRACTION TREAD.

Binding and Printing News.

Owing to the rapid growth of our BINDING AND PRINTING DEPARTMENTS, we have been compelled to seek larger quarters for this branch of our business. We have, therefore, purchased the Daymond Building, next the Trade Review Office, on Duckworth Street, and have just moved these Departments there. This gives them three times more space than they occupied in our Water Street Store. The printing plant now has the whole street floor, while the Bindery occupies both the floors above.

Now, with greater space, more and better machinery, and a large staff of expert rulers, printers and binders, we are prepared to fill your every order, from the smallest label to the largest special account book. The price will be right, and the workmanship cannot be excelled. A stock, a staff and a store especially adapted for commercial printing. We specialize in making loose leaf sheets for all binders, in special account books and in bill heads, statements, envelopes, bills of lading and commercial forms generally. See samples of the work we have done and get our prices. We have over FIVE MILLION ENVELOPES in stock, and these we can give you printed from \$1.70 per 1,000 up.

During the next few weeks

by cutting prices to a minimum, we will endeavour to make a clean sweep of all Summer Goods, Remnants and Soiled or Shopworn Goods. With this end in view we have decided to make our sales as attractive as possible by also reducing the prices on staple lines which are never out of season or out of style. Our Sale will commence on

Saturday, the 26th.

We will give particulars of many bargains in later issues of this paper, but will show in our store many more things at wonderfully reduced prices than we can possibly enumerate in a newspaper advertisement.
