### War Veterans Form New Branch.

President Harold Mitchell, Vice-President (Captain) Leo Murphy, Secretary F. R. LeGrow and K. M. Blair, who were visiting Conception Bay on business in connection with the Great War Veterans' Association, returned to the city on Tuesday evening, having motored overland. We learn that their mission was a most successful one, many sailors and soldiers having been interviewed from Coley's Point, Spaniard's Bay, Bay Roberts and nearby localities. A meeting of all returned Veterans, Soldiers and Foresters was held in the Court house at Bay Roberts on Monday night when the following officers of the new branch were duly installed:

President—J. Barrett.  
Vice-President—Esau Mercer.  
Asst. V.P.—A. Parsons.  
Secy-Treas.—Allan Caravan.

Several returned veterans who are still ill at their homes, from the effects of wounds, were visited, as were also the monuments erected in the local cemeteries to the memories of fallen brethren in various branches of His Majesty's forces. Matters affecting local grievances were carefully gone into, and it is considered that nearly 250 will have enrolled under the War Veterans' banner before the Bay Roberts branch is in existence many months.

### Disorderly Demonstrations

AT FLAT ISLANDS, B.B.

A rather serious demonstration has taken place at Flat Island, B.B., according to the report of the Stipendiary Magistrate at Greenspond. He relates that Constable Simmonds and Tucker searched Coward's Island for intoxicating liquors last Saturday morning, and on returning to Flat Island were met by two motor boats full of hostile men, one boat flying the Union Jack. Upon landing at Flat Island a crowd of about one hundred men met them, bawling, shouting and demanding the constables to leave, and some threatened to throw them overboard. The constables tried to reason with the mob, which eventually gave them ten minutes to leave the island. Arthur Samson, a prominent F. P. U. man, and at one time one of the candidates for the House of Assembly, who was one of the crowd, agreed to take the constables to St. Brendan's and did so. When leaving, the mob cheered and shouted.

It has been decided to send a Stipendiary Magistrate to Flat Island for the purpose of having the ring-leaders arrested and tried, and yesterday a squad of policemen left the city on their way to the scene of the trouble. It is hoped that the evidence to be taken will show that the affair has been exaggerated, but it is evident that there is a spirit of lawlessness abroad, and that the majesty of the law must be vindicated. There seems to be a growing feeling in parts of the country that communities can be a law unto themselves and govern by violence, and too great a speed and determination cannot be shown in putting this down.

### The Next Big Air Stunt.

The crossing of the Atlantic by air-plane now having been accomplished both by land and naval planes the next big air stunt is the circumnavigation of the globe. "The U. S. Army has made tentative plans for this achievement," says the Boston Globe, "but unless Congress loosens up with its appropriations the honor of furnishing the Magellan as well as the Columbus of the air will hardly fall to the United States."

### Funeral at Carbonear.

The funeral of the late Mrs. Thomas Browne took place at Carbonear on Tuesday afternoon. Rev. P. W. Browne, son of the deceased, sang Requiem Mass at St. Patrick's Church, for the repose of her soul. At the grave side the prayers for the dead were recited by Right Rev. Mons. McCarthy.

### Record Tourist Traffic.

Since the beginning of June, every arrival of the Kyle at Port aux Basques brings a number of Canadian and American visitors to the West Coast to engage in salmon fishing. Not since 1914 were so many sportsmen along the Humber and Codroy Rivers at this date, and if they continue coming at the present rate, this year's tourist traffic on the West Coast will be the biggest on record.

### It Took Years to Learn.

That in Dr. Chase's Ointment There is Positive Cure for Piles or Hemorrhoids.

Reports come to us almost daily from persons who have suffered 10, 20, 30 years or more from piles or hemorrhoids before finding out that Dr. Chase's Ointment affords immediate relief and ultimate cure for this annoying and distressing ailment.

This is not a trouble about which people care to speak, but if you ask your friends about Dr. Chase's Ointment you will be surprised to hear how many have been cured of piles by its use. It is the one treatment for piles on which you can depend absolutely for prompt relief.

Mr. B. F. Tracey, Mississauga, Ont., writes: "For about thirty-five years I was troubled with itching piles, which kept me from sleep until I was completely worn out. Then at length I would drop off to sleep and rub myself raw. I tried every kind of ointment made without any permanent good. I also tried a homoeopathic doctor, but only had momentary relief from his treatments. Three years ago I tried Dr. Chase's Ointment and about half a box completely cured me. I have never been troubled with piles since, and can heartily recommend Dr. Chase's Ointment to anyone suffering from this terrible agony or from any other skin disease."

Mr. H. B. MacDonald, Walkerton, Ont., writes: "Having suffered from piles for some time, I finally tried Dr. Chase's Ointment, which afforded almost instant relief, and in time, cure. I have great faith in Dr. Chase's Ointment, and think it superior to any ointment on the market. I would advise anyone suffering from piles to give it a trial."

Many continue to suffer from piles in the belief that a surgical operation is the only cure. Fortunately, Dr. Chase's Ointment is available, and has saved many thousands from the risk and expense of the doctor's knife. 60 cents a box, all dealers, or by mail postpaid, from E. H. Mansson, Bates & Co., Limited, Toronto.
