

Halifax Team Selected

CHAMPIONSHIP SPORTS WERE GREAT SUCCESS.

A meeting of the Newfoundland Athletic Association held last night after the Championship Sports, Newfoundland team which would meet the athletic meet at Halifax, was selected. The sports were a great success, fully 2000 people were in appearance, although the weather was anything but pleasant. As a consequence of the occasion, the fall of the times in the various events were not so good as they have been, the turf being in a slippery condition. The programme opened with a parade of competitors to the centre of the grandstand where were the guests, amongst whom were the Mayor and Commissioners, officers of the various clubs and Associations and representatives of the city Brigades. Competitors halted before the grandstand and were greeted by Mayor Morris, who in laudatory terms of Mr. Ayre, the work he had accomplished in organizing the A.A.A. When the parade had been put in condition, the result of the present movement towards the forwarding of the sports in this country would be then declared the sports. Mr. G. W. B. Ayre, President of A.A.A., expressed his thanks to Mayor Morris and called for cheers from the Civic Commission. The programme was then begun. Great care had been taken in the courses for each race. Measurements had been made by Mr. Noel of the Crown Lands office and were verified before the race began by him and Mr. White-McKewen. Mr. C. O'N. Conroy, for many years assistant from affairs of this kind, carried out the duties of Field Captain in most efficient manner for which he was voted years ago. A complete record of yesterday's meet was kept. The presence of the C.L. under Capt. A. Morris added to the enjoyment of the afternoon.

THE SPORTS.

There were a very large number of spectators for the 100 yards dash and the mile, and both these races were very hotly contested, but the condition of the turf was conducive to running. The 5 Mile Turf Race was most exciting and was won by J. H. 11 mins. 11 secs. O'Toole ran champion close for the first few yards and ended about 1 1/4 laps before Taylor was the third man to the line.

Under Hudson medal was won by Padian, who obtained the greater number of points. The results were:

100 Yds.—1st, F. Phelan; 2nd, J. H. 10 3/4 seconds.
