C.L.B. Band Concert.

ATTRACTS NUMEROUS MUSIC LOVERS.

A large gathering attended the C.L.B. Band concert held in the Methodist College Hall last night. Promptly at 8:30 His Excellency the Administrator, Sir Wm. Horwood, arrived accompanied by his side-decamps. The guard of honor received the party with the general salute, the band meanwhile playing "God Save the King." His Lordship Bishop White was tendered a similar reception, and with his suite, occupied special chairs arranged for the occasion. Representatives of sister brigades, besides a detachment of officers from H. M. S. Westward were also received, while many prominent people in business and social life were seated in the audience, which was most appreciative one.

"Colonel Bogey" was the first selection by the band. During the evening the band selections were interspersed by concert numbers, many of our well-known leading artists contributing. Miss Margaret Mitchell's rendition of "I am Commander of my Soul" was heard to advantage. Her voice was in excellent form, an encore having to be responded to. Mr. Macklin sang two pleasing solos, which won unstinted applause. A pianoforte solo by Miss Alison Rennie won much admiring comment. Rev. E. C. Harp sang "Songs of Arabia." The Rev. gentleman is possessed of a clear tenor, which gives great pleasure to his hearers and his song was rendered with a delicacy that evoked spontaneous applause, demanding an encore. "Drink to me only with thine eyes" as his second offering was another triumph. Mrs. H. Outerbridge's recitation proved so good that she had to respond four times to encores.

Bandmaster Morris, who conducted the band, is deserving of great credit and praise for the high state of efficiency to which he has brought the C.L.B. Band. The selection "Thousands and one nights" "Our Bluejackets," "Chu Chin Chow" is very rarely that a band selection is encored but it happened when the band played

"Bluejackets." During the evening Miss A. Rennie acted as accompanist, her playing winning the approval of all.

The performance proved to be an unqualified success, and a good sum was realized.

A good dinner deserves a good cigarette, a bad dinner needs one. Let your choice be CUB.

Linen Shower.

NEWLY MARRIED COUPLE VISITED

A very enjoyable evening was spent at the home of Mrs. W. E. Campbell, 16 Flora Mews, Cornwall Avenue, recently, when a number of lady and gentlemen friends waited on her by surprise in the form of a linen shower. During the evening the friends of the newly married couple were entertained to a sumptuous supper which was done full justice to by all. Games of various kinds, followed by a dance, wound up the proceeding at an early hour in the morning.

TO-DAY'S MESSAGES

OH! THESE GEDDES!

Sir Eric Geddes, brother of the British Ambassador to Washington, arrived yesterday on the Aquitania to attend to private business here, and also to visit Sir Auckland and Lady Geddes. He will sail for home on November 21.

NOTHING FROM NEAR EAST.

LONDON, Nov. 11.

The situation at Constantinople is still very critical it is believed, but no authentic news is available, even to the government, owing to disrupted cable and wire communication. Absolutely nothing can be learned, and views in the newspapers are based entirely upon supposition.

HUNTING THE CULPABLES.

LONDON, Nov. 11.

All night long master detectives from Scotland Yard scoured London for the perpetrators of the attempt to poison their chief, Sir William Horwood, who still lies critically ill, following an attempt upon his life through the medium of poisoned chocolates sent through the mail. Hopes for his recovery are based upon his strong physique and endurance.

FOR NOTORIETY.

BRISBANE, Nov. 11.

Lieut. Rendle and Sergeant-pilot Herbert Smith, both distinguished war aviators, are planning a flight from Brisbane to San Francisco in May or June next. A British firm has offered a seaplane and the Queensland Government has promised financial assistance.

Apologises to Himself.

Editor Evening Telegram.

Dear Sir.—I regret my letter of yesterday date to the St. George's Coal Fields should have appeared in the light "Shareholders not allowed in opinion." My desire was far from that; it was rather to invite the shareholders of that company to a careful examination of what's been done to encourage the purpose for which I understand this company was formed.

Examine the Reid Nid. Co. Company's report to the Squires-Coaker government re-estimated cost of placing this coal at Robinson's Station; then turn to the report of the celebrated Hallway Commission, made up of Government and Reid representatives with W. F. Coaker as Chairman; come further in and peruse the reports of the House of Assembly re the expenditure of something like \$150,000 on the Reid property at South Branch; finally give the history of their companies' dealings with the Squires-Coaker Government so that the public may judge for themselves. I say public advisedly, because \$150,000 of public money's were spent at South Branch.

Yours sincerely,

"NEWFOUNDLANDER."

ANOTHER DROP.—We have been advised of another drop in the price of Fire Proof Teapots at STEELE'S. Prices now range from 30c. each.

You Can Now Try This Newer Form Of Iron At My Expense

I First Compounded This Remarkable Remedy For My Own Neighbors And Their Praise Of It Has Spread So Rapidly That Now Over Four Million People Use It Annually—Read My Unusual Offer Below.

Years ago meet lack 10% iron in their blood; those are how long you can work or how far you can walk without becoming tired. Next take two 4-grain tablets of Nuxated Iron three times a day after meals for a month and test your strength again and see how much you have gained. An astonishing number of nervous, run-down people who were all the while, have greatly improved their health and increased their strength, energy and endurance simply by taking this newer form of iron.

In the old days people often took metallic iron, which some physicians claim is not absorbed at all. In compounding this newer form of iron which I call Nuxated Iron, I employ a special form of iron, which it likes to absorb.

This is not a patent, but a deposit only. If you are not more than delighted with the results you get from Nuxated Iron, simply return the outside wrapper to your own druggist who will promptly refund your money. We will re-apply receipt of the coupon and wrapper.
