

BRKFAST—EPP'S COCOA—GRATEFUL AND COFFEE.—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctor bills.

The public are hereby assured, through the columns of the Mercury, that "Parson's Purgative Pills" contain no injurious principle, but that they may be administered to children and the most weak and shattered constitutions in small doses, with great certainty of success.

Dr. A. Johnson, one of the most successful practitioners of his time, invented what is now called "Johnson's Anodyne Liniment." The great success of this article in the cure of Bronchitis and all diseases of throat and lungs, will make the name of Johnson not less favorably, if less widely known, than that of Louis Napoleon.

"Tired Nature's Sweet Restorer, Balmly Sleep." But there are times when this "Renewer of Strength" is denied us, times when our minds and bodies have been so over-worked and are so worn out that we "woo the drowsy God in vain." The Peruvian Syrup (an Iron Tonic), renews our strength and makes our rest sweet and refreshing.

USE THE BEST.
HALL'S
VEGETABLE SICILIAN HAIR RENEWER

Nine years before the public, and no preparation for the hair has ever been produced equal to Hall's "Vegetable Sicilian Hair Renewer," and every honest dealer will say it gives the "best" *at fact*ion. It restores GRAY HAIR to its original color, eradicating and preventing dandruff, curing BALDNESS and promoting the growth of the hair. The gray and brassy by a few applications is changed to black and silky locks, and wayward hair will assume any shape the wearer desires. It is the cheapest HAIRDRESSING in the world and its effects last longer, as it excites the glands to furnish the nutritive principle so necessary to the life of hair. It gives the hair that splendid appearance so much admired by all. By its tonic and stimulating properties it prevents the hair from falling out, and none need be without Nature's ornament—a good head of hair. It is the first real perfected remedy ever discovered for curing diseases of the hair, and it has never been equalled, and we assure the thousands who have used it, it is kept up to its original high standard. Our Treatise on the Hair mailed free; send for it.
