

The Galt Reporter says that about 30 children for Miss Macpherson's "Home" reached Galt by rail on Saturday evening last. They will be distributed as fast as possible.

The other Sabbath, as a Levinton, Me., clergyman had reached the climax of his sermon, a yellow dog thrust his nose into the church, and with a good deal of bark strode up to the pulpit. The minister stayed his animal for a moment, gently seized the animal and threw him out of church, returning with imperturbable self-command and finished his sermon. Both subjects were handled well.

MEMOIR OF DR. KITTO.—The name of Dr. Kitto is one that we all speak with respect and reverence. After he had written some large and valuable works, which have been of untold value to the world, he composed this best and last one called "The History of the Bible," as a compendium or summing up in a condensed form of all his useful knowledge. In this we get the benefit of his research, travels and learning of his life. It also contains more valuable maps and tables than any other similar work with which we are acquainted. His works were of so much value that the Queen of England conferred upon him a pension of £300 as a slight token of her respect for him on account of the good he had done Great Britain. He was the only one who had ever received the title of D. D., who was not a minister. This was an honorary title conferred upon him by the colleges of England and Scotland. Both lay claim to him and both may well be proud of him.

BREAKFAST—EPPE'S COCOA.—(GRATEFUL AND COMFORTING).—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Eppe has provided our breakfast tables with a delicately flavored beverage which will save us many heavy doctors' bills.—Civil Service Gazette. Made simply with boiling water or milk. Each packet is labeled "James Eppe & Co., Homeopathic Chemists, London." Also, makers of Eppe's Milky Cocoa (Cocoa and Condensed Milk).

Mr. Henry Mandley says: "The full and healthy development of all the lower natural forces are indispensably pre-requisite to the existence of a sound and vigorous mind." Just so. Humanity requires the full equivalent of vital force in order for the mind to manifest its powers of the mind. When we consider that Fellow's Compound Syrup of Hypophosphites supplies the deficiency to unhealthy blood, restores the nervous elements, and produces healthy action to the various organs and forces of the body necessary to sound mind, we wonder at the implicitly extravagant apparent. As a deficiency of healthy blood, or a direct loss of this fluid, are causes of the senses, and also of the nervous system generally, we can safely calculate on the disappearance of such unpleasant and dangerous disturbances as the condition of the blood improves.

We have often wondered whether there is a person in all New England, who does not know and appreciate the value of Johnson's Anodyne Lintiment as a family medicine? It is adapted to most all purposes, and is the best pain killer that can be used.

Farmers and stock raisers have frequently told us that they have seen very good results from giving Sheridan's Cavalry Condition Powders to cows and swine before and after they drop their young. The powders put them in good condition, and give them strength to care and provide for their sucklings.

NO intelligent mind can fail to observe how the various and ever varying wants of the community are attended to by the enterprising merchants of Guelph. Instancing Hardware, in Mr. Horsman's Establishment, so noted for many years as the Emporium of everything in his line of business, it is something astonishing to take a comprehensive view of the variety of his stock—Guns, Pistols, Ammunition, Fishing Tackle, Horse Furnishings, Floor Oil, Cloths, Mats, Ivory Table Cutlery, Plated Ware, Bird Cages, Flower Baskets, Smoothing Irons, Tea Trays, Wringers, Mangles, Lamps, Mechanics' tools. Besides the great assortment of Farming Implements—Scythes, Snaths, Reels, Forks, Hoes, Building and General Shell and Heavy Hardware, Oils, Paints, Colors, Varnishes. One gets from this a slight idea of what it is to carry on with enterprising spirit a large Wholesale and Retail Hardware Establishment. Every want for House, Farm, Trade or Manufacture can be supplied Wholesale and retail at Mr. Horsman's. See advertisement.
