May we help you choose your new bedroom suite, or single pieces? Or perhaps you are thinking of some new piece for the library, living room or dining room? You'll find it right here.

To the Aylmer Express:

Toronto, March 24, 1919

My attention has been called to an article which appeared among the Springfield news of your paper of two issues ago and where my name was used quite freely. I strenuously object to the same as the author was grossly ignorant of the terms under which I secured the Echo plant. I DEMAND a public retraction among the Springfield news of this issue.

I am, your truly,
Wm. L. Powell

The item objected to in the letter above was as follows: "Wm. Powell jr., of Toronto, has issued a number of accounts through a collecting agency for Echo subscriptions, which he claims are due him. Needless to say a large number of them appear to be already paid and some of them in advance with no refund. The old Springfield Echo seems bound to crop up."

Don't Let Your Brown Sugar Crock Get Empty

In addition to your Lantic "fine" granulated sugar you should always keep on hand a supply of

Lantic Old Fashioned Brown Sugar

It saves money and adds variety and zest to your cooking. The natural delicious molasses taste of Lantic Old-fashioned Brown Sugar is a decided improvement to many sweets. It blends deliciously with the flavors of all dried fruits. Nearly all dishes containing raisins, dates, figs or currants are better when made with brown sugar.

Spices and brown sugar are on the friendliest terms. Spiced cookies and cup cakes and all sweet pickles or spiced fruits are better when made with brown sugar than with white.

For fear these old-fashioned recipes might be forgotten, we have reprinted a number of the best of them in a booklet called "Grandmother's Recipes."

We will send it to you upon receipt of a 2c. stamp. Your grocer knows this sugar by the name of Lantic Brilliant Yellow, and will sell you any quantity.
