#### HANGING ON

Wednesday was the last day of winter, but the season is not leaving its job without a struggle. Tuesday night and Wednesday morning the atmosphere was anything but spring-like. Officially spring begins at 11.45 Tuesday night, eastern standard time, or 12.44 a. m., Wednesday, Atlantic time.

#### BOOM IMPROVEMENT

During the past few months the Dalhousie Lumber Company, Limited have improved their Mill Storage Boom by adding four new piers. These piers are twenty feet square on the bottom, floored and heavily ballasted to resist the tendency to "lift" with the ice, are planked on all four sides and present a very creditable appearance. The construction of these piers provided employment through the winter for a considerable number of men and teams under the supervision of Mr. Wm. Corbett of Bryerton, N. B., and to his experience and careful direction is due in a large measure, the skilled workmanship evidenced in the completed piers.
