Mrs. J. E. Bierwirth, of Cardiff, Sask., writes: "My little boy cut off the end of his finger and it seemed a case for a doctor. However, I applied Zam-Buk to stop the pain and bleeding and it gave the child such relief that he continued the treatment. Using nothing but Zam-Buk I ceased the finger each day, and the wound healed perfectly."

"What I did to cure a cough which was Racking my system to pieces."

"One very hot evening last summer, while in the mountains, a cold breeze suddenly came up which I felt, then, thoroughly chilled. Next day I felt a slight cold in my head but thought nothing of it. The following day the cold had developed into a cough. This kept up for some weeks but instead of getting better the cough kept getting worse. A feeling of oppression developed in my throat. I tried everything I could think of to get rid of it. It was worse when I went to bed. As soon as I laid down the tickling sensation started and the only relief I could get was to sit up in bed. Towards morning, I sometimes, from sheer exhaustion, managed to get a little sleep. During all this time my cough was getting worse. Sometimes in these severe fits of coughing I was left weak and exhausted. Anything I tried only gave me temporary relief. I couldn't take anything but liquid foods. I couldn't sleep. I was losing weight every day. At times I suffered the most intense agony with hoarseness. A friend of mine told me about Carnol. After trying it for three weeks I noticed that my cough was beginning to soften, that my appetite was returning, that the headaches had left me, that I slept longer. After taking seven bottles of Carnol, I am perfectly well and enjoying better health than I have ever had before in my life."

Writes Mrs. J. of Montreal: Carnol is sold by your druggist and if you can conveniently say, after you have tried it, that it hasn't done you any good, return the empty bottle to him and he will refund your money. 10-122

COMPLETELY FREE OF CONSTIPATION

Tried for Years to Find Relief

"FRUIT-A-TIVES" GAVE IT

Chronic Constipation or insufficient action of the bowels, is one of the great causes of disease. Some authorities even claim that Constipation cannot be permanently corrected. This is a great mistake, because here is the proof that constipation can be cured and the bowels made to act regularly and naturally.

Yarmouth, N.S.
"For years, I was troubled with Constipation, and had to take laxatives and purgatives all the time. If I neglected to take these, the bowels would refuse to do their work."

About two years ago, a friend advised me to try "Fruit-a-tives", which I obtained further supplies of the remedy and continued the treatment. After using about eight boxes, my bowels began to perform their particular function without aid.

The relief in my case has been lasting, as up to date I have never had any further trouble. I can recommend "Fruit-a-tives" to all suffering as I did and I am sure they will derive equal benefit.

A. W. FRANKLIN.

"Fruit-a-tives" are sold by all dealers at 50c a box, 5 for \$2.50, trial size 25c, or sent postpaid by Fruit-a-tives Limited, Ottawa, Ont.
