A General Election.
The World is of opinion that the country will be in the midst of a general election before the first six weeks of the coming year shall have passed over. Sir John's absence will be shorter than was counted on; his speedy return is to be looked for, and with it a dissolution and a short pute to him any but the most proper and and sharp appeal to the people.

The Western University. found fault with an article of ours entitled "The Moribund Western University." We have since obtained further information have since obtained further information public interest to us in Ontario.

This Western university does not now the fortune of his predecessor of receipts and disbursements of the possess a faculty of arts. The present If that dootrine is followed out Western university down to September 30, bishop of Huron, Right Rev. M. Baldwin, Vanderbilt will some day possess the 1884, as submitted to the "senate" of the "university" a few months ago, but carefully kept from the public. The first and "university" and have nothing to do with the integrity, will have nothing to do with the holds out. most important fact to be deduced from the statement is the utter bankruptcy of

Huron, Dr. Hellmuth, opened a private school in London, known as Hellmuth school for London, known as Hellmuth school, and for a few years it proved a prosperous and profitable undertaking for its promoter. But after Dr. Sweatman's departure the school rapidly went down, the buildings fell into a state of dilapidation, the Canadian pupils left, a clergyman named Darnell, who was installed as headmaster, could get together only a score or

his hands, it was not a desirable investment, and the worthy bishop naturally wished to get it off his hands. After an unsuccessful attempt to induce the provincial government to buy the property law faculty has to borrow a room in the for a normal school, Dr. Hellmuth conceived the magnificent idea of establishing ruins of the defunct boys' cellege. For the last twenty-five years there has been no scientific apparatus or other educational in London a Church of England divinity school known as Huron college. This institution possesses about ten acres of ground, admirably situated, a pretty little chapel and a college building large enough to hold a local sectarian university for many a long year, and when the Western A. H. Manning of Clinton, for the mayor-

the tension superposition in surgestion with the line is a part of the control of

Were they not kept for these chairs. Were they diverted to pay Dr. Hellmuth for his property, or to pay the interest on the mortgage? Mr. E. B. Reed, the "burear," should rise and explain this glaring breach of trust on the part of the they rave.

senate of the Western university. But enough of finances-our object writing the above is not to reflect upon Dr. Hellmuth or his way, and we wish it to be distinctly understood that we do not imbusiness like motives so far as we are con-cerned. He may collect money in England and make any use of it he pleases; that is a matter for him and his English friends to settle. But the Western university and its financiers are a matter of

university, and has moved back the divinity school to its old quarters in Huron

A Promise That Should be Kept. university was first spoken of people alty of that town. This is well so far as innocently supposed that the object of it goes, and will meet with Mr. Peter to turn Huron college Ryan's approval. But the long felt want for a university and the subscriptions elections. Mr. John Hallam has posed in have. We begin to regard him as applied to its endowment there might have a "Barkis-is-willin" attitude for some bloated monopolist. arisen a respectable little institution as weeks. He is a good grit, has given Unlike some of our esteemed contemwell qualified to exercise university powers us a free library, and is in many poraries, the Brantford Telegram has a

\$96,737 flatulency.

Why were they not kept for these chairs? Let us talk about the weather, and brace

It is expected that Cornelius Vanderbilt, aged 40, will come in for the bulk of his father's property. When the Commodors father's property. When the Commount died a few years ago he was said to be physical science dispersion worth \$100,000,000. When his son W. H. worth \$200,000,000, and as worth \$200,000,000, and as the chair substitution of the old chair.

Cornelius is said to be a chip of the old block it appears reasonable to suppose that if he lives to the same agelas his father, 64, he will be worth at least \$400,000,000. The old Gommodore wished that one member of each succeeding generation should be endowed with the bulk of the fortune of his predecessor.

Vanderbilt will some day possess the whole world, that is, of course, if the stock Addressing the grand jury of Victoria

divinity school to its old quarters in his college. There is a faculty managed by county, Judge Dean expressed the fear, college. There is a faculty managed by "from observations he was able to make half a dozen local medical men who give lectures gratis to a score or so of medical last summer, and from trustworthy re-

master, could get together only a score or see of boys from the Southern and Western university, 21 vic., 70, and we beg to ask him whether it is in accordance in connection with arranging for the carriage of the British mails to the East via the until at last Darnell absconded, deeply regretted by his numerous creditors, and the school closed.

Dr. Hellmuth had his property on ance on hand of \$6702, as shown on 3rd latter theory except its author's character Sept., 1884, has dwindled to nothing by

The supreme court of Illinois has decided that it is not the duty of individual citizens to keep the sidewalks clean. This decision is in accordance with common sense, whatever the lawyers may think of it. We might as well compel the house-

equipment of any description.

An explanation is in order from the promoters and administration of this seat of we do not pursue the common sense plan, although to do so would be to have the work done more efficiently than it is done now, and to give more or less winter mployment to a large number of deserving

The St. Catharines News (referm) takes Editor Anglin of the Globe to task for into a university. Not so, Bishop Hell-which remains unfilled is a Globe candidate which remains unfilled is a Globe candidate which remains unfilled is a Globe candidate which remains unfilled is a Globe candidate at land league meeting in the city for Toronto. It admits that Mr. Alex. his old boys' college, and the statement we Manning has made a fairly good mayor, of the saints. Mr. Anglin has more iron publish elsewhere shows how well he succeeded. It appears from his statement political affiliations. Neither can it take publish elsewhere shows his statement ceeded. It appears from his statement political affiliations. Neither can it take blowing the Irish Catholic bellows in the that including his own subscription of \$10,000, Bishop Hellmuth collected by political affiliations. Indeed, Mr. Howvoluntary subscriptions the enormous sum land declines support from either of the liberal leader at mass meetings, he is haven been taken.

Now if Hunor called hear taken. Now if Huron college had been taken party organs. He wishes to be considered ing more fun than one politician ought to
