

Miscellaneous

W. J. H. Balcom, Esq., is in receipt of a card of honor and food. In the absence of Rev. Mr. Bradshaw, the Sunday evening exercises of the Christian Endeavor society were conducted by Mr. Arthur Birtaux.

Notwithstanding it being hay harvest and the day exceedingly warm, the strawberry festival given on Wednesday by the ladies under the auspices of the Hope Hall's Mission had been liberally patronized. The gross receipts were \$22.00.

After an absence of more than a year in Massachusetts, we are pleased to note the return of Mr. and Mrs. Joseph Birtaux to their home in this place. Also Mrs. Hill and children of Lynn are here visiting friends.

The well in which the little Acker boy took an exploring expedition, has received a new platform, with indications of soon having a curb. A little lumber and time are not of so much consequence as the children.

Our school, taught by Miss Annie Robinson, ended its term on Friday. Miss Robinson has given universal satisfaction as teacher, and the progress made by her pupils, above that of the usual fall term, is her charge.

Clarence Chips. Vacation has come and the small boy hitherto in the field with the foundry makers, which makes him think that vacation is a nuisance.

Hay is in earnest, consequently the farmers are very busy. The thermometer standing from 80 to 90 in the shade. A Sabbath-school Missionary Concert will be held in the Baptist Church here next Sunday evening. Silver collection to be taken.

Clarence has a well-earned reputation for always having good concerts and this will be no exception. The band of bands of music thieves who have been operating in this part of the valley, have been proceeding their trade in Clarence for the past two weeks. Patriotic collars and creases have been raised, and the contents appropriated to their benefit.

Round Hill Cleanings. Mr. B. Bates, of Boston, is spending a portion of the hot weather in Round Hill, C. R., and is visiting among relatives in this place. Miss M. Armstrong returned from Boston, where she has been passing the winter, on Friday last.

The Train Broke in Two.

Truro, July 17.—This morning at 1 o'clock a special train from Halifax in charge of Conductor T. Christie, broke apart in three sections between Shelburne and Miller's lake. The rear part, pulled with the middle section, and Conductor Christie, who was on the platform, was thrown over the rail of the van by the force of concussion, but retained such a firm hold that the left shoulder got dislocated, causing him to relax his hold. Then he tried to throw himself clear of the wheels, but was unsuccessful, whereupon the van passed over his right leg, crushing it in a fearful manner and causing a terrible loss.

Had it not been for his remarkable nerve and presence of mind, he would have quickly been killed. But he bravely took his handkerchief from his pocket, succeeded in tying it around his leg, and tightened it with a silver wire from a sloop. He was picked up and brought to Truro, and received prompt medical aid, but his injuries were of such a serious nature that he died at 8.30 this evening. He was married, but leaves no family; was a member of the order of railway conductors, and a brother of Theodore Christie, of Windsor.

The Kinsey-Haley Manufacturing Co. have begun clearing up the ruins of their old building and erecting their new factory. It will occupy the same site as the old one, extending further south, and will be under one roof, excepting the boiler house and dry rooms, which will be built outside.

Mr. F. K. Ballou, of the Boston Gold Mining Co., went to Bridgewater and deposited with the Halifax merchants a large lot of gold weighing 173 lbs. 10 oz. The gold was of the Malaga Mining Co., also took in a brick weighing 136 lbs. 10 oz. the product of last week's work.

In Newfoundland there are 3 bishops, 177 clergymen, 601 teachers, 43 lawyers, 62 doctors, 747 merchants and 1,000,000 Government employees there are 608, and engaged in other occupations. Packages of money are seldom received without having twenty to fifty cents there, because of the smallness of the notes, and the habit of the people to carry them in their pockets. The value of the money is small, but the amount is large, and the people are very poor.

Provincial Paragraphs.

A survey is being made for the proposed tunnel across the strait of Northumberland, to connect Prince Edward Island with the mainland. Depositors to Post Office Savings Banks are now allowed to place in the bank \$1,000 each year. The whole deposit not to exceed \$5,000.

When you're languid and dull in the spring of the year, when stomach and liver are all out of gear, when you're tired at noon and loathsome at night, and nothing gives relief and nothing goes down, don't try any nostrum, elixir, or pill. Don't try "Mother's Kidney" just like the bill. The stress and use of all remedies for all disorders of the liver, stomach, and blood, is Dr. Pierce's Golden Medical Discovery.

Edward Lind, of St. Peter, C. B., says: "That his horse was lately torn by a pitchfork. One bottle of MINARD'S LINIMENT cured him."
