

THE Society publishes only a few editions of the Bible and New Testament; but it keeps constantly in stock—both at the home office and at its branch houses—a very full line of

Bibles and New Testaments

of all sizes, styles, and prices, selected from the lists of the great Bible publishers in America and Europe.

**The Teachers' Bibles of the Oxford
and International Editions
are made a specialty**

The sale of Bibles of all kinds constitutes a large part of our business.
