

Guaranteed Sprayers

Back of every Goulds Reliable Sprayer is a broad, strong guarantee of satisfaction. Quality is the watch-word in our factory, which is the largest and oldest in existence. A Gould's Sprayer goes right on successfully fighting insects and fungous enemies long after cheaper outfits have worn out. Thousands of satisfied users prove that Goulds Reliable Sprayers are the best for field crop and orchard work.

Bigger Crops—Bigger Prices

That's what users the world over are getting with the aid of Goulds Reliable Sprayers. They are built on practical, "experience-taught" lines—built to spray easier, quicker and more uniformly than others. And they do it, too!

Every crack and crevice—every leaf and limb is uniformly sprayed with a Goulds Reliable Sprayer. All working parts are rust and chemical proof—reasons why they last. Made in 23 different types, for hand and power.

Ruff's Special Tomato Manure

A high concentrate of Acid Phosphate, Sulphates of Potash, Iron and Ammonia. One application of 3 ozs. per sq. yard will ensure a superb crop of tomatoes.

It builds up a more robust, dark foliaged plant for developing the fruit. There is an entire absence of superfluous growth. Ruff's Special puts the value into the basket instead of into a coarse plant, heavy with foliage and lacking fruit.

MAXWELL'S HIGH SPEED CHAMPION

Is the Washer for a Woman

In the first place, Maxwell's "Champion" is the only washer that can be worked with a crank handle at the side as well as with the top lever. Just suit your own convenience.

Another Maxwell feature—Lever and Balance Wheel are so accurately adjusted and work up such speed that the washer runs along even when you have stopped working the lever. There's no doubt about Maxwell's "Champion" being the easiest running washer on the market.

Write for new illustrated booklet if your dealer does not handle Maxwell's "Champion" Washer.
