FLORIDA!

Land for Sale in the County of De Soto, Lat. 26° 40'.

Twenty acres of good dry pine land on the Myakka River with over 500 feet of water front, 12 miles from the terminus of the Florida Southern Railway at Punta Gorda, with deep water all the way. Was selectedfror an apiary, for which it is very suitable, being within easy reach of black mangrove, cabbage and saw palmottoes, and ponnyroyal, the great honey plants of Florida. It is also suitable for growing lemons, guavas, pine apples, and all kinds of vogetables. The Myakha, is a tidal river running into Charlotte Harbor, and steamers drawing eight feet of water can go right up to the property. At Southland, 13 miles down stream, a large canning establishment is just about stagting.

Price for the whole \$12.50 per acre, or in 5 and 10 acre lots, \$15 per acre, cash,

lots, \$15 per acre, cash,

ALSO

Forty acres of first-class high pine land on Shell Creek; water front; a miles from Shell Creek station, miles from Cleve, and, and on the Florida Southern Railway, and with water carriage for sail boat to all those places. This land is 15 feet above the creek, rich in phosphates, and will grow oranges and all kinds of citrus fruits without fortilizing. The clients is solered to acres and upwards, 810 cash—a great bargain.

The climate is splendid, heat rarely extends 900 in the summer and very mild in winter, and is exceedingly .uy-no malaria or yellow fever.
