

INDEX

CANADIAN MINING REVIEW, JAN. AND FEB., 1907

| | PAGE. | | PAGE |
|---|--------|--|------------|
| Arsenical Ores, Treatment of | 56 | German Consumption of Copper | 22 |
| "Artesian," What is Meant by | 18 | Hastings (B.C.) Exploration Syndicate, Ltd. | 20 |
| Assaying Cobalt Camp Ores, by F. F. Colcord | 14 | Hastings (Ont.) Mining Association | 60 |
| A Story of Endeavor, by Nemo | 38, 45 | Horton, F. W., On Production of Platinum | 12 |
| Bell, Dr. Robert, F. R. S. | 25, 62 | Howe, Henry M., LL.D., Experiments by, With Cobalt Ores.. | 57-60 |
| Book Reviews | 25, 62 | Industrial Notes | 31, 67 |
| British Columbia in 1906, by Arthur Wheeler, Jun. | 49-54 | Is Matter Electricity? | 17 |
| Brown, R. Gilman, On the Examination of Mines | 5-8 | Knight, Cyril W., B.Sc., Experiments by, With Cobalt Ores.. | 57-60 |
| Calendars | 35 | Lee, Chester F., M.E., On the Treatment of Arsenical Ores... | 56 |
| Campbell, Wm., Ph.D., Experiments By, With Cobalt Ores.. | 57-60 | Metals | 17 |
| Canadian Arctic | 3 | Metric System | 3 |
| Canadian Mining Institute, Annual Meeting | 62 | Mines, Examination of | 5-8 |
| Canadian Rockies, by Reginald A. Daly | 15, 55 | Mining Association, A New | 61 |
| Catalogues | 35, 70 | Mining Incorporation | 32, 69 |
| Churn Drills, Prospecting With | 11 | Mining Industry, Canadian, in 1906 | 41 |
| Cirkel, Fritz, M.E., Address by, on Concentration | 43-48 | Mining Notes | 26, 64 |
| Clay and the Clay Industry in Ontario | 48 | Mining and Industrial Share Market | 22, 30, 67 |
| Coal Notes | 30, 67 | Occurrence of Platinum | 8-11 |
| Cobalt Camp Ores, Assaying | 14 | Our Chief Geologist | 38 |
| Cobalt Coinage, Suggestions From Geological Survey for... | 2 | Our Mining Industry in 1906 | 41 |
| Cobalt Companies | 23 | Personals | 26, 33 |
| Cobalt District | 19 | Pheby, F. S., On Prospecting With Churn Drills | 11 |
| Cobalt Ores, Experiments With | 57-60 | Platinum, Occurrence of | 8-11 |
| Cobalt Shipments During December | 16 | Platinum, Production of | 12 |
| Cobalt Shipments During January | 61 | Production of Platinum, by F. W. Horton | 12 |
| Colcord, F. F., On Assaying Cobalt Camp Ores | 14 | Prospecting With Churn Drills, by F. S. Pheby | 11 |
| Concentration, Address On, by Fritz Cirkel, M.E. | 43-48 | Quebec's Mining Area | 61 |
| Correspondence | 57 | Southern Yukon, The | 40 |
| Copper, German Consumption of | 22 | Suggestions From Geological Survey for a Cobalt Coinage.. | 2 |
| Copper Statistics | 19 | Summary Report of Geological Survey for 1906 | 38 |
| Daly, Reginald A., On the Canadian Rockies | 15, 55 | Tinstone in Canada | 39 |
| Editorial Notes | 1, 37 | Treatment of Arsenical Ores, By Chester F. Lee, M. E.... | 56 |
| Examination of Mines, by R. Gilman Brown, F.M. | 5-8 | Trethewey Mine | 17 |
| Experiments With Cobalt Ores, by Henry M. Howe, LL.D., | | Way of the North, The | 17 |
| Wm. Campbell, Ph.D., and Cyril W. Knight, B.Sc. | 57-60 | What Is Meant by "Artesian" | 18 |
| Geological A B C | 4 | Wheeler, Arthur, Jun., On British Columbia in 1906..... | 49-54 |
| Geological Survey | 3 | Yukon, The Southern | 40 |
| Geological Survey, Summary Report of for 1906 | 38 | | |

INDEX

CANADIAN MINING JOURNAL; VOL. 28

| | PAGE. | | PAGE |
|--|-----------------------------|--|--|
| Acting Deputy Minister of Mines of Canada | 582 | Beginning of the End | 545 |
| Adams, Dr. Frank D., On Undeveloped Mineral Resources of | | Bell, Dr. Robert, F.R.S., On the Cobalt Mining District.. | 246 |
| Canada | 13 | Bell, John, On Underground Haulage | 552-556, 583-588 |
| Alberta Coal Commission and British Eight-hour Bill..... | 354 | Bell, Sir Henry, President, Address of, to British Iron and | |
| Alberta, Coal Mining in, in 1906 | 401 | Steel Institute | 236-240 |
| Alberta, Coals and Coal Fields of | 81 | Bennie, P. McN., On Magnetic Concentration of Iron Ores | |
| Alberta Mining Conditions | 322 | by Grondall Process | 200-206 |
| Alberta, Special Correspondence | 63, 380, 474, 507, 537, 569 | Berry Creek Mine | 451 |
| Algoma, Special Correspondence | 28, 124, 155, 349, 414 | Bessemer, Hastings Co., Ont., Magnetite Mines at | 451 |
| Algoma Steel Co. | 22 | Big Ben Cobalt Mines, Ltd. | 390-393, 419 |
| Allan Shafts, Sinking | 99-104 | Birkinbine, John, On Supplies and Reserves of Iron Ore.. | 83 |
| American Institute of Mining Engineers | 130, 163, 193, 304 | Blue Bell Gold Mines, Ltd. | 420 |
| Visit of, to Cobalt, etc. | 324 | Blue-Black Iron Paint, New, as Protective Covering, by F. | |
| American Institute of Mining Engineers, by R. W. Raymond | | J. R. Carulla | 440 |
| | 260-263 | Book Reviews. 31, 127, 158, 215, 279, 313, 372, 411, 441, 465, 504 | |
| Analysis of Silicate and Carbonate Rocks, by W. F. Hille- | | Borrowed Plumage | 482 |
| brand | 141 | Boundary District, Mining in the | 213 |
| Anemia, Miner's | 322, 325-330, 362, 393 | Breathing Apparatus for Rescue Work in Coal Mines, by | |
| Ankylostomiasis, "Miner's Anemia," by F. W. Gray | 325-330, 362, 393 | F. W. Gray | 77 |
| Another Suggestion | 289 | British Columbia, Annual Report of Minister of Mines.. | 298-301 |
| Antimony, Production of, in 1906 | 596 | British Columbia Copper Co.'s Mother Lode Mine, Boundary | |
| Argentiferous Cobalt-Nickel Arsenides, Roasting of..... | 54 | District, by E. D. Jacobs | 228-233 |
| Arsenic, Domestic Production of | 595 | British Columbia, Iron Industry for | 386 |
| Asbestos | 131-135 | British Columbia, Mineral Production of | 116 |
| Asbestos, Crystallization of, by W. J. Woolsey | 212 | British Columbia, Special Correspondence | |
| Asbestos, Discoveries in Foreign Countries, by Fritz Cirkel, | | | 26, 63, 124, 154, 218, 413, 444, 475, 507, 537, 570, 602 |
| M. E. | 54, 122 | British Columbia's Mines in 1906 | 291 |
| Asbestos Industry, The Canadian, by Fritz Cirkel, M.E. | 135-138 | British Eight-Hour Bill | 354, 366 |
| Assayers | 162 | British Iron and Steel Institute, Presidential Address by Sir | |
| Austin, L. S., On Smelter Smoke | 588 | Henry Bell, Bart. | 236-240 |
| Austrian Iron Industry During Last 25 Years, by W. Kes- | | British Workmen's Compensation Act, 1906 | 489 |
| trancik | 435-439 | Brook, Prof. R. W. | 577-582 |
| Bauerman, H., On the Erzberg of Eisenerz | 460 | On the Geology and Ore Deposits of Franklin Camp, | |
| | | B. C. | 233-236 |
