PHOTOGRAPHIC.

Messrs. Evans & Harrison's Gallery, 25 King Street East, Toronto, U.P.T.A.R.

O. B. EVANS the oldest practical Daguerrean in the United States, has associated with himself, Mr. L. F. HARRISON, one of his most successful pupils, and located in Toronto, where they intend to practice the Daguerrean art for a few weeks only. Mr. E. would also most respectfully call the attention of the Public to his celebrated London Premium Daguerrean Gallery, No. 214 Main Street, Buffalo.

One of the most costly and elegant establishments in this country. The first Premium, a Silver Medal and a Diploma were awarded the subscriber at the State Fair at Buffalo in 1848, also in Syracuse in 840, and again at Rochester in 1851, and a diploma or the Daguerreotype of a Domestic Animal.

Mr. E. is also one of the three who

Received a Prize at the World's Fair,

Thus showing more first class premiums than any other Daguerrean in America. In all the above exhibitions we have competed with the first operators in the country.

We have a few premium Pictures here, one A game of Chess, on which H. M. MESSER lavished the most extravagant eulogy.

But lest we should be accused of egotism, we shall only say that we most cheerfully submit our productions in the Art to the criticism of connoisseurs. N.B.—Our Pictures are taken in all weather (under the latest approved sky-light) with equal success, except children, for which the best light should be selected, and with our Telegraph Instrument, they can be taken almost instantaneously.

A dark dress is most becoming to all, a dark scarf is the most suitable neck dress for Gentlemen, showing as little linen as possible.

Instructions will be given at this Gallery which will enable any one to succeed in this lucrative branch of business.

Stock and apparatus of all kinds will be found constantly on hand at this office.
