

Now that Your Harvest is in

WHAT ABOUT BUYING A BICYCLE ?

IT would be most useful at the farm, especially when your horses are busy. Besides, it would give you a little change after a hard day's work, to take a spin into town, and enable you to get your business transacted and have your Horses fresh for the morrow.

THE UP-TO-DATE FARMER

will not be without a

MASSEY-HARRIS WHEEL

on his farm.

See one of Our Agents about it.
