COUGHS, COLDS, Croup and Consumption CURED BY ALLEN'S LUNG BALSAM
 25c. 50c. and \$1.00 per bottle.

ALWAYS REQUIRED—A good cathartic medicine. National Pills will not disappoint you.

Scientific and Useful.

FRIED CRACKERS.—Soak square soda crackers well in milk, and fry them quickly a nice brown in a little butter.

TO KEEP JELLIES FROM MOULDING.—Pulverize loaf sugar and cover the surface of the jelly to the depth of a quarter of an inch. This will prevent mould even if the jellies be kept for years.

AN UNDOUBTED OPINION.—"I was severely troubled with diarrhoea, and having used some of the wonderful Dr. Fowler's Wild Strawberry, I was in a short time completely cured. I can recommend it as a splendid medicine." Wm. A. Stafford, Shedden, Ont.

PINE APPLE JELLY.—A delicious dessert is made by taking any rule for lemon jelly, and substituting grated or finely cut pineapple for the lemon. A little remnant of canned pineapple is well used in this way.

FOR BRONCHIAL and Throat Affections, Allen's Lung Balsam is unequalled.

TO EXTRACT GREASE.—Equal parts of strong ammonia water ether and alcohol form a valuable cleaning compound. Pass a piece of blotting paper under the grease spot, moisten a sponge first with water to render it "greedy," then with the mixture, and rub the spot with it. In a moment it is dissolved, saponified and absorbed by the sponges and blotter.

A CURE FOR DRUNKENNESS.—Opium, morphine, chloral, tobacco and *kindred habits*. The medicine may be given in tea or coffee without the knowledge of the person taking it, if so desired. Send 6c in stamps for book and testimonials from those who have been cured. Address M. V. Lubon, 47 Wellington Street East, Toronto, Ont.

ICED APPLE WITH CREAM.—Pare, core and cook a dozen apples in a syrup made of one cupful of sugar and two of water. When they are tender, lift them out and cover them with a thin layer of meringue. Sift granulated sugar over this and let it brown slightly, leaving the oven door open. Reduce by boiling the syrup in which they were cooked until there is only a gill and a half left. When this becomes cold it will be a firm jelly; cut in squares and lay it on and about the apples. Eat cold with cream and sugar.

A VALUABLE DISCOVERY.—F. P. Tanner, of Neebing, Ont., says he has not only found B.B.B. a sure cure for Dyspepsia, but he also found it to be the best medicine for regulating and invigorating the system that he has ever taken. B.B.B. is the great system regulator.

CRUMB GRIDDLE CAKES.—The night before using, put some bread crumbs to soak in one quart of sour milk; in the morning rub through a sieve, and add four well beaten eggs, two teaspoonfuls of soda dissolved in a little water, one tablespoonful of melted butter, and enough cornmeal to make them of the consistency of ordinary griddle cakes. It is better to beat yolks and whites separately, stirring in the whites lightly just before baking.

The steel used in the Brooklyn Bridge if made by Esterbrook into his univalled steel pens would provide 200 pens for every man, woman and child in the United States.

STUFFED EGGS FOR SUPPER.—Boil ten eggs hard, take off the shell, then cut off one-third of the egg. Take out all the yolks and mix with a little bread previously soaked in milk till soft. Melt a piece of butter size of an egg, add this, and season with pepper and dissolved mustard and salt till it has the right flavour. Bind it together with one or two raw eggs. This mixture must not be very thin. Stuff it into the hard boiled eggs, rounding over the top. Place the remainder of dressing in the middle on a dish and the ten stuffed eggs round it. Bake ten or fifteen minutes till brown.

A BOTTLE of the "Lotus of the Nile" is a most acceptable present to a lady.

APPLE SAGO OR TAPIOCA PUDDING.—Apples may be added to boiled sago or tapioca, with a pleasing result. Soak a cupful of either tapioca or sago in three cupfuls of cold water over night; then cook it in a double boiler for half an hour. Add to the contents of the boiler one cupful of sugar, half a teaspoonful of salt, and two quarts of pared and quartered apples. Bake in a pudding dish for an hour and a quarter. Cool slightly, and serve with or without sugar and cream or milk. These puddings are so simple that they will not hurt even an invalid.

Horsford's Acid Phosphate. Beware of Imitations.

Imitations and counterfeits have again appeared. Be sure that the word "Horsford's" is on the wrapper. None are genuine without it.
