**THE PROPER TIME**

When the most benefit is to be derived from a good medicine is early in the year. This is the season when the tired body, weakened organs and nervous system yearn for a building-up medicine like Hood's Sarsaparilla. Many wait for the open spring weather and, in fact, delay giving attention to their physical condition so long that a long siege of sickness is inevitable. To rid the system of the impurities accumulated during the winter season, to purify the blood and to invigorate the whole system, there is nothing equal to Hood's Sarsaparilla. Don't put it off, but takes Hood's Sarsaparilla now. It will do you good. Read the testimonials published in behalf of Hood's Sarsaparilla, all from reliable, grateful people. They tell the story.
