

\$4,000.—Extensive improvements are to be made to the Hamilton stock yards, including the building of cattle and horse sheds and an amphitheatre for conducting auction sales.—A building permit has been granted to Stewart McPhie, architect, for brick addition to M. Brennan & Son's factory, King William street, cost \$2,500.—It has been decided to enlarge the Sunday School building at St. George's church.

SYDNEY, N.S.—It is proposed to spend \$75,000 this year on street improvements.—The site for proposed Marconi telegraph station has been surveyed by Mr. Odell, C. E. There will be four towers of corrugated steel.—New York capitalists, represented by L. A. Petrie, Glace Bay, intend erecting a large summer hotel on Raggeom Island.—Tenders are asked by T. McLeod up to 5th inst., for laying cast iron water mains as follows: 6,500 feet 24-inch pipe, 5,200 feet 20-inch, 1,400 feet 18-inch, 1,790 ft. 16-inch, 2,170 feet 12-inch, 2,170 feet 10-inch. Cheque for \$1,000 to accompany tender.—F. A. Crowell will build a residence this summer.

WINNIPEG, MAN.—The Canada Life Assurance Co. have purchased property immediately to the south of their building and will remodel the front and add two storeys, the plans for which have been prepared by Darling & Pearson, architects, Toronto.—Porter & Co. will erect a five storey building on Main street.—Z. Malhoit, C. E., of the Dominion Public Works Department, has been making surveys for a new bridge at St. Jean.—Walter Chesterton, architect, has prepared plans for addition to Havergal Ladies' College, 40 x 80 feet, two storeys and basement. Same architect is preparing plans for addition to residence of H. M. Howell on Carleton street and an observatory for F. W. Stobart.—Ross Sutherland has purchased the old A. W. Ross residence on Roslyn road and will make extensive improvements.

OTTAWA, ONT.—Ald. James Davidson has decided to rebuild the Cecil Hotel. Plans for same are being prepared by Mr. Pointer, architect, of Detroit; there will be 150 rooms.—Arrangements have been made for the acceptance of the contribution of \$100,000 by Andrew Carnegie for erection of library building in this city.—Eugene Larose, architect, has prepared plans for a residence to be built by P. A. C. Larose, barrister, of L'Original, and for the new Charlebois block on Dalhousie street.—Tenders are invited by F. Gelin, Secretary Department of Public Works, up to April 11th, for extension of breakwater at Parker's Cove, N.S.—A civic deputation will ask the Government to construct a bridge across the Rideau canal at Concession street; estimated cost, \$12,500.—Tenders are asked by the Department of Public Works up to the 19th inst. for erection of courthouse at Yorkton, N.W.T.
