

Is Your Home Comfortable These Cold Days?

Now is the time to take note and decide whether you are enjoying comforts in-doors. Mostly every householder is burning enough coal to keep his house comfortably warm. The waste and discomfort is usually owing to the furnace.

“Sovereign” Hot Water Boiler

The “Sovereign” is the improved hot water boiler and hot water heating is universally acknowledged to be the most reliable, sanitary and economical method of house heating. Ask your neighbour about the “Sovereign.”
