LUMSDEN & WILSON'S FOOTBALL ANNOUNCEMENT.

WE thank the many teachers and players throughout the Dominion for the liberal patronage and flattering testimonials received during the past fifteen years that we have been importing and selling the celebrated McKechnie Footballs. We can confidently claim that no other balls stand the wear and tear like this old reliable Scotch make. They do not stretch unequally and become lopsided; the sewing is the best possible. In fact, the 2nd quality of these balls is equal to some fancy finished match balls that are in this market at about the price of our best quality.

We call special attention to reduced price of Football Boots. We have the best style, as used by all leading players in Great Britain, and any Canadian player who has tried them would not like to play without them again.

 1895-96

FOR the convenience of subscribers and friends we will continue to fill orders, as heretofore, for

 TEXT BOOKS**

and books of all kinds, singly or in quantities, on receipt of price.

Teachers will do well to follow carefully the books reviewed and advertised from time to time in our columns. Our reviews are generally written by competent authorities on the subjects discussed, and will be found reliable and helpful.

We are sorry that there has been some unavoidable delay in the full organization of our Teachers' Bureau, but we are glad to be now in a position to make the announcement which appears elsewhere. We hope to be able, through this Bureau, to render valuable service to Teachers, as well as to Boards of School Trustees, School and College Principals, and to the profession generally, by affording a reliable medium of communication between teachers seeking situations, and schools and colleges desiring good teachers.

Do not fail, also, to note the clubbing list, which we are enlarging from week to week, and by means of which we can enable our subscribers to obtain a good magazine or weekly, in connection with THE JOURNAL, at a greatly reduced rate—in some cases at half-price.
