"PERFECTION."

BUTTONLESS.

The above cut shows the design of the Perfection Buttonless Football as it is registered in Great Britain, and represents to the fullest degree perfection in shape, perfection in workmanship, perfection in the material used in its manufacture, and perfection in finish.

This, combined with the closeness of our price, has led certain dealers to have the design slightly changed in hopes that they would thereby be able to get a little more for them. Beware of such. We sell the best buttonless balls made, and give the number, circumference and price of each.

Electricity as Applied by The Owen Electric Belt and Appliances

Is now recognized as the greatest boon offered to suffering humanity. It has, does and will effect cures in seemingly hopeless cases where every other known means has failed. Rheumatism cannot exist where it is properly applied. By its steady, soothing current, that is easily felt it will cure,

- Rheumatism Sciatica Spinal Diseases General Debility Neuralgia Lumbago Nervous Complaints Spermatorrhea Dyspepsia

- Liver Complaint Female Complaints Impotency Constipation Kidney Disease Varicocele Sexual Complaints Epilepsy or Fits Lame Back.

RHEUMATISM.

It is not pleasant to be compelled to refer to the indisputable fact that medical science has utterly failed to afford relief in rheumatic cases. We venture the assertion that although electricity has only been in use as a remedial agent for a few years, it has cured more cases of Rheumatism than all other means combined. Some of our leading physicians, recognizing this fact, are availing themselves of this most impotent of Nature's forces.

TO RESTORE MANHOOD AND WOMANHOOD.

As man has not yet discovered all of Nature's laws for right living, it follows that every one has committed more or less errors which have left visible blemishes. To erase these evidences of past errors, there is nothing to equal Electricity as applied by The Owen Electric Body Battery. Rest assured, any doctor who would try to accomplish this by any kind of drug is practising a most dangerous form of charlatanism.

WE CHALLENGE THE WORLD

to show an Electric Belt where the current is under the control of the patient as completely as this. We can use the same belt on an infant that we would on a giant by simply reducing the number of cells. Other belts have been in the market for five or ten years longer, but to-day there are more Owen Belts manufactured and sold than any other makers combined.

ELECTRIC INSOLES. Dr. Owen's Electric Insoles will prevent Rheumatism and cure Chilblains and Cramps in the feet and legs. Price, \$1.00 sent by mail.

EXTRACTS FROM CANADIAN TESTIMONIALS.

"For eight years I have suffered with rheumatism, and am now out of pain and growing better daily and in my 75th year. Can confidently recommend the Owen Belt when everything else fails." A. Menzies, Niagara Falls. "Having some knowledge of electricity and its power, and having used other belts prior to my use of yours. I can say that it is the best that I ever worn." Jas. Blair, Port Dalhousie. "Am much pleased with belt; it has done me a great deal of good already." J. Sergerim, Galt, Ont.

"Saved my life when I had muscular rheumatism." Mrs. Caroll, West Market St. "Your Electric Belt cured a violent attack of sciatic rheumatism of several months' standing, in eight days." Jas. Dixon, Sr., Grand Valley, Ont. "Have been a sufferer for years from nervous headaches and neuralgia. After trying one of your belts am more than satisfied with it. Can knock out a headache now in fifteen minutes that used to keep me in bed for days." Thos. Gales, Crawford St., Toronto

BEWARE OF IMITATIONS AND CHEAP BELTS.

Our attention having been attracted to base imitations of "The Owen Electric Belt," we desire to warn the public against purchasing these worthless productions put upon the market by unprincipled men who, calling themselves electricians, prey upon the unsuspecting by offering worthless imitations of the Genuine Owen Electric Belt that has stood the test of years and has a continental reputation.

Our Trade Mark is the portrait of Dr. A. Owen, embossed in gold upon every Belt and Appliance manufactured by the Owen Electric Belt and Appliance Co. None genuine without it. The cheap so-called Electric Belts advertised by some concerns are perfectly worthless as a curative power, and dear at any price. A genuine Electric Belt cannot be manufactured and sold at cheap prices. Send six cents for illustrated catalogue of information, testimonials, etc.
