A fraud of the first water-City milk.

What age do sailors like best ?- Cordage.

A tip top fellow-A sailor at the masthead.

Unspeakably absurd -Trying to make a dumb man talk.

" I will make my mark in the world for the benefit of coming generations of men," -as the tramp remarked when he chalked a fence to show his friends the house was "no good."

The latest wrinkle in Uncle Tom's Cabin The latest wrinkle in Uncle Tom's Cabin Companies is to double up the agony—two Eva's, two Topsy's, etc. We would humbly suggest that instead of having two of the latter that the single Topsy should turn a double somersault, or the company have two performances going on upon the stage at the same time. In view of the nuisance Uncle Tom has become it is extremely doubtful whether Mrs. Harriet Beecher Stowe should have a monument. monument.

Our Funny Contributor says that the meanest man has been discovered, he lives in To-The other day our Contributor paying ronto. for a postal card in a store laid down a cent therefor upon the glass case, which, upon the owner's back being turned, was cautiously appropriated by a well dressed individual. Our Contributor says the scent of that transaction should stick to that thief forever.

The Only one in America."

The International Throat and Lung Institute, Toronto and Montreal, is positively the only one in America where diseases of the air passages alone are treated. Cold inhalations are used through the Spirometer, an instrument or inhaler invented by Dr. M. Souvielle of Paris, ex-aide surgeon of the French army, with proper dietetic, hygienicand constitutional treatment suitable to each case. Thousands of cases of Catarth, Laryngitis, Bronchitis, Asthma, Catarthal Deafness and Consumption have been cured at this institute during the last few years.
