granulated has dropped an eighth, to the level of its local competitor; yellows are relatively firmer than granulated, the lowest figure being 5½c. Barbadoes molasses is being jobbed at 45c.; syrups as before. Teas show more activity, the principal movement being in medium grade Japans at steady values; we do not hear of any further lots going to New York since last writing. Coffees are in moderate request, with firmness to be noted in Jamaicas and Rios. Rice, tobacco, and spices are without change. Valencia raisins are firm at 7c. for good fruit in a jobbing way; currants firmer at 6 to 7c., latter figure for cases; Sultanias 10½ to 12c. for choice; prunes, 5½c. Evaporated apples easier at 9½ to 10½c., dried ditto 6½ to 7c. For Malaga raisins and nuts there is hardly any present demand. There is not any very active movement in canned goods, the firmness in values seemingly curtailing the demand; tomatoes steady at \$1.15 to \$1.20; salmon, \$1.65 to 1.75.

HIDES.—Business still rules dull, tanners only buying for pressing wants, and values have not gained in strength. No. 1 Toronto hides are quoted locally at 5½ to 5¾c. per lb.; steers and dry hides 9 to 10c. Receipts of green butchers' hides are moderate, dealers paying therefor 1c. for No. 1, and tanners 1c. advance; lambskins are quite firmer at \$1.00 to 1.25.

LUMBER.—Trade in this line has ruled quiet for the last few weeks, no increased demand being yet noticeable, nor have any changes in values transpired. We quote:—Pine first
