

More Than Half-a-Century's Success.

That is the record of the Canada Life. The new business of the Company for 1899 exceeds that of any year in its history since its establishment in 1847. The Company appreciates the public confidence and preference thus shown for the Canada Life by so many applicants for life assurance, and extends congratulations to its field force upon this most satisfactory result.

THE MANAGER, THE MONETARY TIMES,

Dear Sir,—We have received a copy of your paper, and have written several firms advertising therein on the subject of Australian business. We think a small advertisement of our requirements would be useful, and will be glad if you will insert a space, about two inches for four times, with the matter that we have given you below. On receiving statement we will send you cheque for the amount.

Should any of your advertisers require information about business in Australia, we shall be very pleased to enter into correspondence with them, either for agency or direct purchase.
