Men Who Fail

to read the latest report of The Equity Life Assurance Company of Canada make a great mistake in their own interests and may pay a very high price for their neglect by insuring where they will not get value for their money. The Equity Life of Canada is the only Company doing business in Canada that gives total abstainers the distinct advantages to which they are entitled at all times and under all kinds of policies.

Thousands of reports have already been sent out and others will follow those who ask for them. Address
