In an address prepared for delivery before the King's County Liberal Association, he predicted that Canada's price controls would enable the star Dominion to withstand any possible "nosedive" in prices of world primary products. a classic opt malast conducts as Fursh and some same By refusing to allow Canadian prices to follow world prices in their sharp upward course we have insured ourselves substantially against the hardships consequent-upon deflation in the future, " Mr. Ilsley said." Se The government's aim had been to get rid of controls which could safely be dropped; but retain those still needed and there was mogintention of removing price controls except in the orderly manner the government now is in following . The Abandonment of price control by the United States did not mean withat Canada must or will take similar action. Sys is done bound fliv "I do not pretend to know where the cost of living will ultimately settle," he said a "Ido know, however, that the official cost of living index in the United States is now nearly 50 per cent above pre-war (as a compared with 25 per cent in Canada) and that roughly one-third of this increase has happened since the end of the war.
