Note that "Statute of Westminster"
is misspelled (see foot of page 4).

M. McKeen

It would have been better not to call
it "an Imperial Act." There is no such
thing. It was an act of the U.K., passed
at the request of the Canadian Government
and other Governments concerned.

*Last sentence of paper is perhaps
ambiguous & could readily be taken to
mean that Canada is sovereign only
within the Commonwealth*
