KENT INSTITUTION—RIOT

Question No. 180—Mr. Friesen:

1. (a) How many cells were damaged as a result of the riot at Kent institution, on October 28-29, 1979, (b) how many cell blocks were involved (c) what was the extent of the damage in dollars (d) how many inmates were involved in the riot (e) how many security personnel officers were involved to subdue the riot?

2. (a) How many trips did the regional director of the Pacific Centre Regional Headquarters, office of the Solicitor General, take to Ottawa, as well as to other destinations in (i) 1977 (ii) 1978 (iii) 1979 and what were the locations (b) what was the total cost of the trips (c) what was the total amount paid to the regional director for mileage expenses he incurred in (i) 1977 (ii) 1978 (iii) 1979?

3. (a) What was the total amount paid to personnel, under the authority of the Pacific Centre Regional Headquarters, to cover moving expenses which they incurred as a result of being transferred to another location (b) how many times has the government paid for the brokerage fees of an individual who was obliged to sell his home as a result of being transferred to another location, in the Pacific regional district?

4. (a) How many individuals, now employed as security personnel at the Kent Institution, have had previous experience in a (i) maximum (ii) medium security institution (b) how many are retired armed forces personnel?

Hon. Bob Kaplan (Solicitor General): In so far as the Correctional Service of Canada is concerned:

1. (a) Fifty-two cells;
- (b) Four blocks;
- (c) \$17,000;
- (d) Forty-two inmates;
- (e) None. All inmates were already locked in their cells, and once having damaged the contents of his cells, each individual stopped. In light of this, the incident was not regarded as a riot but rather a disturbance.

2. (i) 1977

(a) Locations
