Dear Mr. Gibson,

I have delayed answering your letter of 25th February in the hope that I could give the assurance that I would join the New York Graduates Society in their annual dinner on April 2nd. I thank you very much for this invitation and cannot say how much I would like to be with you. I am afraid though that I cannot go this Spring. I would like to send a substitute, someone from the College staff. Is there anyone whom you would especially like to have? Please let me know your preferences. I shall certainly see to it that some worthy representative of McGill attends the function.

With all good wishes and thanking you very much for the invitation, I am,

Ever yours faithfully,
