March 3rd, 1924.

Rev. Professor C. V. Pilcher, D.D.,
Wycliffe College,
Toronto, Ont.

Dear Professor Pilcher:-

I received your letter of the 20th of February, together with the enclosures, and a little later I received from Mr. Beatty the various reports which you had sent him.

I regret very much that I am unable to sign the appeal, for reasons which I have explained to Professor Jackson this morning.

Yours faithfully,
