Sir Arthur Currie,  
McGill University,  
Montreal.

Dear Sir:-

In view of the fact that our calendar this year shows a bird's-eye view of McGill University, we felt that you would be interested in receiving a copy. Under separate cover, therefore, we are sending you one of our calendars.

Feeling that 1920 and 1921 were McGill years owing to the financial campaign in 1920 and the re-union for 1921 we thought that we would like to assist in advertising the McGill University, and that is why we chose the subject for this production. We had a special painting made and worked our colors from that.

We have had a number of critics give us their opinion, and they all speak of the production very very highly.

Yours very truly,
