Montreal, 2 June, 1922

Dear Sir,

I beg to take the liberty of writing
to you as a Governor of the Gill.

The beautiful property purchased and
presented to the University by the late
Sir W. B. Macdonald has for the greater
part of the last seven years been used
as a contractor's yard & dump for
refuse. For several summers a
rock-crusher operated by different people
made great noise & smothering the
neighbourhood with dust and smoke.
Now the place is a continuous dumping
ground & one is inclined to ask if Sir
