

# INDEX.

|                                                            | PAGE |
|------------------------------------------------------------|------|
| Addition,                                                  | 14   |
| Alligation,                                                | 194  |
| Arithmetical Progression,                                  | 220  |
| Compound Numbers,                                          | 58   |
| Addition of,                                               | 80   |
| Subtraction of,                                            | 85   |
| Multiplication and Division of,                            | 89   |
| Commission,                                                | 154  |
| Coins, Table of,                                           | 59   |
| Cube Root, Extraction of,                                  | 213  |
| Division,                                                  | 39   |
| Duodecimals,                                               | 199  |
| Multiplication of,                                         | 200  |
| Equation of Payments,                                      | 173  |
| Evolution,                                                 | 204  |
| Federal Money,                                             | 64   |
| Fractions,                                                 | 98   |
| Proper and Improper,                                       | 100  |
| To change an Improper Fraction to a whole or mixed number, | 100  |
| To reduce a whole or mixed number to an Improper Fraction, | 101  |
| To reduce a Fraction to its lowest terms,                  | 102  |
| To divide a Fraction by a whole number,                    | 105  |
| To multiply " " " "                                        | 107  |
| a whole number by a Fraction,                              | 109  |
| one Fraction by another,                                   | 110  |
| To divide a whole number by a Fraction,                    | 112  |
| one fraction by another,                                   | 114  |
| Addition and Subtraction of Fractions,                     | 116  |
| Reduction of " "                                           | 121  |
| Decimal Fractions,                                         | 128  |
| Addition and Subtraction of,                               | 132  |
| Multiplication of,                                         | 135  |
| Division of,                                               | 137  |
| Reduction of,                                              | 143  |
| Reduction of Vulgar Fractions to Decimals,                 | 140  |
| Fellowship,                                                | 190  |
| Halifax Currency,                                          | 59   |
