SUPPLY OF WHEAT
SHOWS SHRINKAGE

Stronger Tone at Chicago In-
spired by Publication of
World's Figures.

CHICAGO, Jan. 27.—Rallying power
showed itself today in wheat, after news
had received of a falling off in the
world's available supply. The market
closed nervous at a shade decline to 1/2
advance, compared with last night. Corn
finished unchanged to 1/2 higher; oats
were not altered, but provisions closed at
a net decline of 5c to 10c.

During the greater part of the session
which seemed unable to shake off sym-
pathy with a break which prices at Li-
verpool had suffered from cheap and hea-
vy offerings from Russia. Extremely mild
weather in the United States winter crop
felt tended also to give an advantage to
the bears.

There were advices that general rains
were interfering with shipments from
Australia, but no material reaction in
prices took place until word came that
the decrease in the wheat available sup-
ply was more than three times as much
as a year ago.

Export sales of flour at Kansas City
helped the late uptick. Rumors were
current, too, that the amount of wheat
in the elevators northwest had been
over-estimated five to ten million bush-
els.

Corn Movement Small
Boston dispatches telling of corn taken
there for shipment to Europe nullified
the influence of early cables that the
Argentine corn crop had virtually
failed and would be available two
weeks ahead of the average time. "At-
tention was drawn to the fact that the
amount of corn on passage to Europe
was only 12,000,000 bushels, compared
with 26,000,000 bushels a year ago.

Support for oats came about thru the
action of other grains. Considerable in-
terest was taken in the reported sale
in the elevators northwest had been
over-estimated five to ten million bush-
els.

Provisions gave signs of hedging by
packers. The government live stock fig-
ures were very near to what was gen-
erally expected.

CATTLE TRADE
CONTINUES DULL

Sheep, Lambs and Calves
Steady—Hogs
Firm.

Receipts of live stock at the Union
Yards were 39 carloads, 669 cattle, 617
hogs, 146 sheep, and 1,800 calves.
Trade in cattle was again slow, worse
than on Monday. Cattle for which \$8 and
\$8.25 was offered on Monday, were still
unsold, and the sellers informed The
World that \$7.75 to \$8 were the best offer-
ings they could get for the same cattle
yesterday.

One trouble seems to be that both
butchers and packers are well supplied
from last week's purchases, but the great-
est trouble of all is that the drovers have
paid too high prices in the country, and
are unwilling to accept the prices offer-
ed by the buyers, consequently it was
another dreary market all day.
The top price quoted for loads of butchers'
cattle was \$8.25. \$8.70 was paid for
half a dozen choice steers to go to
Montreal. Sheep, lambs and calves sold
at steady to firm prices and hogs were
a little higher.

Butchers
Choice loads of butchers' cattle sold
at \$8.25; good butchers, \$7.75 to \$8; me-
dium, \$7 to \$7.50; common, \$6 to \$6.75;
choice cows, \$8.50 to \$9.75; good, \$8 to
\$8.25; medium, \$5.50 to \$5.75; common,
\$4.50 to \$5; canners, \$3 to \$3.75; sheep,
\$7 to \$7.25; hogs, \$5 to \$5.50;
common lambs, \$5 to \$5.75.

There was a light delivery of stockers
and feeders. Prices remained steady.
Choice steers, \$7 to \$7.25; good steers,
\$5.50 to \$5.75; hogs, \$5 to \$5.50.

MILKERS AND SPRINGERS

A moderate supply of milkers and
springers sold at \$2.50 to \$3 each, the
bulk going at \$5 to \$7.50 each.

VEAL CALVES

Receipts of calves were light, not being
enough to supply the demand. Choice
calves sold at \$11 to \$11.50; good, \$10
to \$10.50; medium, \$7.50 to \$8.50; com-
mon and rough, \$6.50 to \$8.

DELIVERIES WERE LIGHT, AND PRICES
FOR GOOD QUALITY WERE FIRM, BUT THERE IS
A LARGE PERCENTAGE OF HEAVY LAMBS WHICH
ARE SLOW SALE. SHEEP, EWES, SOLD AT \$6.50
TO \$7; RAMS, \$5.50 TO \$6.25; LAMBS, \$9 TO
\$9.50.

RECEIPTS OF HOGS WERE LIGHT AND PRICES
WAS A LITTLE FIRMER. SELECTED FEED AND
WATERED SOLD AT \$9 TO \$9.25.
