

# Athletics Champion Goulding Breaks "V" Record Baseball Leafs' Work-Out Pleases Kelley

## M'Graw Turns Over Ritter to Kelley

Righthand Twirler Joins Leafs—Four Hour Drill Under Hot Sun—Drill Stays.

MARLIN, Texas, March 25.—(Can. Press)—Bunny Hearn went north with the Leafs tonight, but he will join the team before opening day, unless he shows McGraw more than he has displayed so far. He knows he is coming back and is anxious to put his name to a Toronto contract. Manager Kelley closed a deal for Pitcher Ritter, a young right hander of exceptional promise. He has been here five weeks with the Leafs and may be used on Saturday or Sunday at Waco.

Only one practice, a four-hour drill, was held today, and the players came thru splendidly. The whole squad worked at a fast pace, Kelley driving them to the limit. Schultz showed up to advantage, and the ticket for the Canadian League may stay with the Leafs if he is to come. He is a ringer at the bat and on the paths for former Joe Fisher's work, convinced onlookers that he was a hard thrower. Kelley demurred and the ball remained behind him. New York has an outfielder who may join the club later with Hearn. Herbert, on his first day, was given a stiff portion of work, but finished with plenty in reserve. Castleton should do. He let out a link today and had the hitters puzzled. Graham is being closely watched by Kelley. The young Toronto pitcher has speed, an easy movement and pose and is a spit ball specialist. He has not shown his real goods, but if they are as good as the samples so far displayed, they will have a hard time holding him off the club. Catcher Kelly continues to improve and will have no contention for first string receiver. Shell and Trout will fight it out for substitute position, with the chances favoring the former. Wilson is crowding Kroy for a position in the outfield and will be a hard man to beat.

The Giants carry a party of 50, including 34 players. Ritter is a new man, but he is being watched closely. He is as good as the samples so far displayed, they will have a hard time holding him off the club. Catcher Kelly continues to improve and will have no contention for first string receiver. Shell and Trout will fight it out for substitute position, with the chances favoring the former. Wilson is crowding Kroy for a position in the outfield and will be a hard man to beat.

## NEW ICE-CROSSE AT ARENA FRIDAY

Tomorrow night at the Arena Toronto fans will see for the first time a new novelty, when Toronto and Tecumseh will line up and play a game of ice-crosse or lacrosse on ice. This game has been well in Montreal, and those who have seen the two local teams in practice declare that the game is full of thrills. The passing is so fast and snappy that the game is full of life. The players are so aggressive that after the ball will keep the fans on their feet most of the time. The Toronto have Holmes and Wilson on their line up, while Powers, Longfellow, Harshaw, Warwick, Davidson and Red Donihue are no slouches on the bench. Dr. MacGregor, Carmichael and Smith will lead the Indian aggregation, while Querre, Whitehead, Collins and Winter will also be in line, and should be well able to take care of themselves. The game will be refereed by the referee, who will start at 8.30, and the rules will be a mixture of the I.C.C.A. and the rules of the A.A.U. As a preliminary to the big battle between Harshaw and Broadbent of the Beavers League will begin at 7.30, and the game will be a full of thrills. The game will be a full of thrills. ## ANGELS WATCHED HIM

Clarence E. Goddard, aged 2, of 314 Parkhurst avenue, fell from the second story window, a distance of nearly 20 feet, at his home yesterday morning, but was picked up by his father unharmed. The child, according to the parents, was playing on a couch beside an open window, when he ventured too far out on the sill and lost his balance. Dr. Addison, who attended the infant, stated there were no bones broken.

## GUELPH TO HAVE MOTOR CLUB

GUELPH, March 25.—A motor club is to be formed in Guelph and affiliated with the Ontario Motor League. It will work to promote national legislation governing the use of automobiles, and will assist and encourage the construction and maintenance of good roads. There are about seventy-five machines owned in the city.

## GEORGE GOULDING SETS NEW Y. M. C. A. RECORD FOR MILE

Champion Walker in Great Form at Central Indoor Meet—West End Wins the Relay Race—The Results.

The indoor athletic meet at Central Y. last night drew a packed house, and there was some excellent sport. The outstanding feature was the one-mile walk, in which George Goulding not only made a record for the new Central track, but he set up a Y.M.C.A. record for the continent that will take some beating. Carl Mertens took the first relay, and held on for five laps, when Goulding went in and at the end of the first half had three-quarters of a lap lead, time for the half being 3 minutes 45 seconds. C. McDonald went right after Goulding in the second half, and caught him on the fifteenth lap, and for the next three laps, when Goulding let out and got the lead, which he held until the end, winning by 25 yards in 6 minutes 34.2 seconds, which is excellent time for a 32-lap track.

The relay race between Central and West End had the big crowd on their toes from the start. Harry Cook started for Central, and W. Puddy for West End. Cook led by a slight margin in the first relay. Tresider took the last three laps against H. Phillips, and the speedy West End runner won by one foot in 48.5 seconds.

The 35-yard dash was a new feature, and the men and boys took a keen interest in it. The race for men was run off in nine heats, three semi-finals and a final. The final was a pretty race, with big Jim Gardner winning from Puddy of West End by inches in 4.5 seconds.

The boys' race brought out some promising youngsters, and was won by Reg. Hopper in 5 seconds flat.

The 60-yard dash was a big event, and the men showed the best time of the season, no less than three men doing 14.5 seconds.

The high jump was brought on early in the evening, two of the jumpers, W. J. Marshall and Sgt. Janet, being in the line up. The event was a good exhibition, and was won by N. W. Ward, with 5 feet 3 inches. The program was interesting from beginning to end, and will stand repeating.

The Summary.

## DICK IRVINE WINS EXHIBITION GAME

Monarch Centre Whole Team in Himself—T.R. and A.A. Swamped 9 Goals to 2.

It is easy to see why the Winnipeg Monarchs wanted Dick Irvine to play in the Allan cup games. Mr. Irvine, hockey player extraordinaire, won the second exhibition game from T.R. and A.A. by 9 goals to 2, at the Arena last night.

A peek at the summary will show that Irvine tallied nine goals for the Winnipeg team, and this tells the tale. Irvine gave the prettiest performance seen in the local ice this winter, and was a whole team in himself. Gordon Moeckling was set to check him, but the western boy had a feeling for the boards all night, and went his way unmolested, even when the whole Toronto forward line endeavored to stop him. Irvine's stick-handling was superb and his work when close in was perfect.
