YORK COUNTY AND SUBURBS

LADIES APPEALED TO MEN TO ENLIST

WOMEN DO THEIR "BIT" THRESHING UNDER WAY

W. F. Maclean, M.P., Made Appeal for Men to Flock to Colors.

Recruiting in Toronto received a remarkable impetus last night when 1200 people gathered on the spacious lawns at Dundurn, the residence of Miss Jessie McNab, 850 St. Clair avenue, to attend a recruiting meeting held under the direction of the Women's Home Guard.

With the 13th York Rangers' Band playing patriotic airs, booths, Union Jacks and Chinese lanterns scattered over the lawn, convincing appeals for the young man to do his "bit," and officers of the Women's Home Guard eagerly taking the names of the willing ones, one of the most successful recruiting meetings since the war began was held.

Controlled by F. S. Spence, who followed, mentioned the big part that Toronto had taken in the recruiting, and pointed out the contrast between the England and Germany, where in the latter country a man went willingly to fight for liberty and honor, and in this country a man went unwillingly to fight for a grand opportunity for the young man to help in the great struggle against tyranny.

"How many men will enlist tonight?" asked Miss Jessie McNab, "I have fifty women who handed in their names to join the Women's Home Guard at the meeting this afternoon, and there are 100 more who have promised."

"I have asked the churches to help with prayers in connection with patriotic work," said Miss McNab, "I would recognize it as His work," said Miss McNab, "if my father were living today he would be glad to know that the old Whip-poor-Will estate on the west side of Dundurn, consisting of 100 acres, was being offered to the Government to use in connection with the soldiers' children and dependents and the wounded from the front. If the Government will not use the property, I have offered it to the Government to use in connection with the soldiers' children and dependents and the wounded from the front. If the Government will not use the property, I have offered it to the Government to use in connection with the soldiers' children and dependents and the wounded from the front."

HOTEL TECK.
The special midday luncheon served at fifty cents finds immediate favor with business and professional men. A la carte menu at moderate prices.

COL. CURRIE APPEALS TO MEN TO ENLIST
Col. Currie was the chief speaker at a patriotic picnic held at Long Branch Park yesterday afternoon and evening. More than 1000 people were present and the proceedings were carried on until a late hour, the concert in the evening being followed by a dance. The fine band of the 48th Highlanders was on the grounds in the evening and a large sum was realized by the sale of home-made cooking and confectionery.

Col. Currie made a strong appeal for recruits. Dr. Forbes Godfrey, M.L.A., Capt. T.A.G. Wallace and James Croppick returned soldiers from the front and a former resident of Etobicoke Township, also spoke. The picnic was under the direction of the Etobicoke Township Council.

To Discipline Recruits.
The local military officials are making arrangements to take action against any men who fail to attend the parades after enlisting for active service. For some time past about a dozen volunteers have failed to show up for parades, and in order to put a stop to it summonses will be issued against them and they will be compelled to appear before Magistrate Jell.

Coal Scarce this Winter.
Many of the local coal dealers state that the Hamilton and Canada will probably suffer from a scarcity of coal this winter as a result of the large number of Italians who have left the country and mines to return to their own country to fight. Few Americans will work in the mines, and it is feared that the supply of coal will not nearly meet the demand.

St. Thomas Receives Honors.
St. Thomas broke the five-game series with Hamilton by breaking even yesterday afternoon, making it three wins out of five. St. Thomas won the first struggle by a score of 4-3, but the game was coming back strong in the second fray and were victorious by a score of 5-3. Poor when Hernandez allowed King to run home, where he was tagged.

St. Thomas scored two runs in the initial period of the encounter as a result of two bad errors and a double by Kelly. After this Dougherty had the players at his mercy, and they were unable to score again. Hamilton got one in the first, sixth and eighth by timely hitting.

The batteries were the same in the second game. In the third, fourth and fifth periods Dougherty weakened and was touched up for many hits, which netted the White Sox five runs. Hamilton got one in the fourth and two in the fifth. The scores: R.H.E. St. Thomas... 2 0 0 0 0 0 0 2 4 2 Hamilton... 1 0 0 0 1 0 0 1 0 0 Batteries—Dougherty and Lase; Dougherty and Lamond.

WOMEN DO THEIR "BIT" THRESHING UNDER WAY
Fall Wheat Fair Sample and May Not Be Seriously Damaged.

Yesterday was ideal for the farmers and the county and practically all over the central portion of Ontario the work of cutting, the show, was being pushed with vigor. In the immediate neighborhood of Toronto, where the damage from the recent storms was more pronounced than in many other sections, the farmers are greatly handicapped by the condition of the land. Every low-lying spot is a source of trouble to the binder, sinking into the ground, and in scores of cases planks and rails are required to raise it enough to allow the team to get out on the solid land. The cutting, in one direction, causes endless delay. From five to six acres a day is the limit.

WOMEN'S INSTITUTES HELD UNION PICNIC

Need of Well Directed Effort Emphasized and Views Exchanged on Many Topics.

The first annual picnic of the West York Women's Institute, held under the direction of the united societies, took place at Scarborough Heights Park, on the lake front, yesterday afternoon, and was in all respects eminently successful. Apart from the educational benefits derived from the members, over a wide district, exchanged views on many topics, formed new acquaintances and renewed old ones.

During the afternoon an excellent address was given by Miss Chapman of Toronto, on Red Cross and Institute work, urging the members to renewed diligence in all lines of patriotic and household work. The need for well directed effort in the economical management of the average Canadian home was in no way over-emphasized. Mrs. T. A. Patterson of Scarborough, the popular president of the society, presided, and was ably assisted by Miss Margaret Scott, secretary. About 300 women were present, the societies represented being Agincourt, Scarborough Junction, West Hill, Highland Creek, East Toronto, Markham Village, Agincourt, Thornhill, Richmond Hill, Victoria Square, Stouffville and Lakeview.

"We voted \$500,000 at the last session of parliament we voted 100,000 more, I assumed the responsibility of voting your money, and am now going back to parliament to spend our last dollar if necessary."

"We must enlist the women in our cause. Miss McNab has set us an example and an example to all our women. She has formed a home guard for women, who will organize and drill. The women of England are doing the same thing. We have returned soldiers who have to be looked after and there are the children. They will be looked after by them. The women could not be engaged in a better work," said the speaker. "My appeal to you men is to come forward and enlist. A great opportunity has been offered to you."
