The popular feeling in Italy is deeply will tell you. I do not know where I am going to stay. I want to see what sort of a country you Americans have" Mr. Blake's baggage was sent to the Waldorf.

Mr. Blake arrived in Toronto yes-terday. It was learned from Mr. Hume Blake that his father was go-ing to remain on this side of the water for about four weeks, and that he would probably make Toronto his headquarters, but that his movements are uncertain. He did not know whe-ther it was his father's intention to address any public meetings while in Canada.
