SECOND RACE FOR THE DOMINION.

Crane's Challenger Beaten Over the Twelve Mile Triangular Course by 2 Min. 47 Secs -- Third Race To-Day.

Canadian boat, won the second of the in-

ternational yacht races to-day, defeating the American boat by 2 minutes 47 seconds on a 12-mile triangular course, in a light breeze.

There could hardly have been a better day for the race than it turned out. Though there promised nothing but a dead calm at the outset, there was not anything like the number of boats and steamers on the course that were present on Saturday, though there seemed a greatr number of smaller craft.

Everyone was for the Dominion, of course, and when the Challenger came plugging along with a lead on the first leg of the course, which took her into Beaconsfield, there was some consternation, even though the Dominion was so close and caught her rival up so quickly after they had passed the buoy.

There seemed every reason to think that a foul had been made, but just then this was found not to be so, though the yachts were close, and they sped away from Beaconsfield toward the second turning buoy

CAPITALS AT ORILLIA,

Exhibition Lacrosse Game Results in Favor of Ottawa by 5

Goals to 2.

Orillia, Aug. 15.—The Capitals arrived here by special train Saturday evening, accompanied by a number of their supporters. A large crowd had gathered to receive the visitors, and a procession formed, headed by the band, and the visitors were escorted to their hotel. The home management treated the visitors right royally on Sunday on the beautiful Lake Couchiening, a number of citizens placing their steam launches at the disposal of the com-

mittee. All trains from the north, together with both steamers on the lakes, ran excursions to town to see the champions, and when the teams lined up fully 1500 people had gathered to witness the struggle. The home team started in with a rush, and, greatly to the gratification of the crowd, scored the first game in a little over half a minute, Curran doing the trick. The visitors then awoke to the fact that it was a fairly good team they had to play with, and for the next hour the playing of both teams was phenomenal, Pulford, both Murphys, Westwick and Donaldson simply excelling themselves, and, although the home team did not score, their play showed them to be no mean exponents of the national game. At this stage the rain, which had been holding back, poured down in torrents, but both teams played on and scored a game each. The players were as follows:

Capitais (5)—Goal, Kimpton; point, Shore; cover, Raiph; defence, Pulford, Robinson, Kelley; centre, Starrs; home, Westwick, Murphy, Murphy; outside, Durkin; inside, Donaldson; field captain, Dr. J. L. Chabot. Orillia (2)—Goal, Hanley; point, O'Connor; cover, Churchill; defence O'Connor, Thomson, Boyd; centre, Dunn; home, Curran, Wilkinson, Armstrong; outside, Grant; inside, Watson; field captain, J. M. Yeats, Referee—J. Carruthers. Timekeeper—M. B. Tudhope.

First game—Orillia, Curran, 38 sec. Second game—Capitals, Murphy, 34 sec.

Sutton West, Aug .15.—The home team defeated Alliston Saturday by 82 to 85. The following is the score: First game—Orillia, Curran, 38 sec.
Second game—Capitals, Murphy, 34 sec.
Third game—Capitals, Donaldson, 3½ min.
Fourth game—Capitals, Donaldson, 22 min.
Fifth game—Capitals, Murphy, 9 min.
Sixth game—Orillia, Grant, 3½ min.
Seventh game—Capitals, Donaldson, 19 m.

St. Mary's, Ont., Aug. 15.—The final game in the Western League, C.L.A., was played here to-day between St. Mary's and Exeter, resulting in a victory for the home team by a score of 8—6. This gives St. Mary's the championship in the Western District.

Police Games To-Morrow.

Everything is now in readiness for the sixteenth annual athietic tournament of the Toronto Police Athletic Association, to be held to-morrow afternoon at Hanlan's Point. There is much speculation among the men as to who will be the lucky winner of the handsome championship medal, and the bets are about even between Constables Robinson and McArthur. "There is a good deal of uncertainty as to the winner," said Inspector Stark, secretary of the association, last night. "We have five entries from Hamilton, three from Ottawa and six from Montreal," There will be 24 events in all, embracing bleyele races, standing broad jump, running high jump, throwing 56-lb. weight, long-service race, constable race, putting 16-lb, shot, 100 yards race, tossing caher, running hop, step and jump, throwing 16-lb. hammer, quarter-mile, race, old men's race, throwing 56-lb. weight, pairol sergeants' race, trowing 56-lb. weight, pairol sergeants' race, trowing 56-lb. weight, pairol sergeants' race, running broad jump, half-mile race, officers' race, fat men's race, hurdle race and consolation race. The Highlanders' Band will furnish music during the afternoon, and the competitions will commence promptly at 2 o'clock.
