Dead Heat in the 60-Yard Handicap, Edwards Defeating Duffy in the Run Off.

New York, Nov. 30.—(N.Y. Herald Tribune.)—The 60-yard race between the two athletes this afternoon, the attraction being the 10-mile race, was a close one, the two runners, the American, Edwards, and the Englishman, Duffy, were in a dead heat at the end of the race, the American, Edwards, winning by a few inches.

Chief among the features of the athletic program were the 10-mile run for the A. A. U. championship, which called out the best long-distance runners, and the 60-yard handicap race. The handicap offered Arthur F. Duffy of Georgetown University as a starter at the post of honor on the track. This redoubtable sprinter, who is the sprint champion of the United States, covered 60 yards in the final heat of the dash, and led the ultimate winner in 6.25 seconds.

According to experts, the track was fully two yards slow, and Duffy's performance stands out as the best of the year. The Englishman, Duffy, was a young New Yorker, who is not attached to any club, and he was in the race on an allowance of 15 feet from Duffy. They ran a dead heat in the final, and half an hour later they ran off the tie, with Duffy breaking the tape by a few inches in record time.

George W. Orton of the Toronto Lacrosse Club, former stepcoach champion of England, was the 10-mile champion. He won the race in 57 minutes, 23 seconds. From three laps Dick Grant, formerly of Toronto, was the 10-mile champion. He won the race in 57 minutes, 23 seconds. From three laps Dick Grant, formerly of Toronto, was the 10-mile champion. HEADS APART IN CUP RACE.

Warrenton Won on Closing Day at Benning in Track Record Time—Queen of Song.

Washington, Nov. 30.—Eight thousand people, the largest crowd that ever gathered at a local race meeting, were at Benning today, the last of the autumn meeting of the Washington Jockey Club. In the cup race Warrenton, Beau Ideal and Brisk finished nose apart, and the public had to content to wait until the judges had rendered their decision before knowing the order in which the horses ran. In this race, the track record for 2 1/4 miles was broken by 4 1/2 seconds, and every horse came in staggering, showing that the race was too long. Plato, an outsider, won the steeplechase. The favorite Phoebe, fell at the club house bank and tore the second turn of the field. Beret assumed the lead after Tontore fell, but Plato came strong in the stretch, and won handsily by four lengths. Many of the knowing ones were disappointed at the falling of Phoebe and Tontore, and Dayton, the second of the latter horse, was suspended. Some critics of the race, however, thought that the race was too long. The favorite Phoebe, fell at the club house bank and tore the second turn of the field.
