

In addition to local expenses, the Society has subscribed \$30.00 for the support of a native missionary in the New Hebrides.

In the death of the Rev. Mr. Gavin, our Society lost a warm friend and one who took great interest in our work.

We deeply regret to have to record the loss to our Society by the death of Mr. J. H. Shearer and Miss J. Cummings. Mr. J. H. Shearer showed his interest in our Society by leaving us the sum of \$25.00 for mission purposes. He was one of our most active and energetic members. The Society arranged for providing ushers at the church services during the past year.

Trusting in the goodness and help of our God, we have confidence that our Society of Christian Endeavor is being, and will be blessed in its work, and that the young people of the congregation can find no grander or nobler field for Christian service and usefulness than in the work of such a Society, whose motto should be that of every earnest Christian, "For Christ and the Church."

R. McALLEN,
President.
